**WHEREAS**, under the terms of the Security Agreement, the Grantors have (i) as collateral security for the Secured Obligations, granted to the Administrative Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the Collateral (as defined in the Security Agreement), including, without limitation, certain Intellectual Property of the Grantors and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office and the United States Copyright Office.

**NOW, THEREFORE**, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor and the Administrative Agent agree as follows:

**Section 1. Grant of Security.** As collateral security for the Secured Obligations, each Grantor hereby grants to the Administrative Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following:

(b) All trade secrets and all other confidential or proprietary information and know-how regardless of whether such trade secret has been reduced to a writing or other tangible form, including all documents and things embodying, incorporating, or referring in any way to such Trade Secret, including but not limited to: (i) the right to sue for past, present and future misappropriation or other violation of any Trade Secret and to enjoin or collect damages for the actual or threatened misappropriation of any Trade Secret; and (ii) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the “**Trade Secrets**”).

(c) All licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (i) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (ii) all

income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), (iii) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, and (iv) any and all proceeds of the foregoing.
