1. Latent Heat Solutions, LLC (formerly named Outlast Technologies LLC), a US limited liability company, having its registered office in Wilmington, Delaware, USA, registered with the office of the Secretary of the State of Delaware under number 5110878 ("**Latent Heat**") is sole shareholder of Outlast Germany LLC, a US limited liability company, having its registered office in Golden Colorado, USA, registered with the office of the Secretary of the State of Delaware under number 5361467 ("**Outlast Germany**"). Outlast Germany is sole limited partner of Colheim GmbH & Co. KG, a German limited partnership (*Kommanditgesellschaft*) registered in the commercial register kept at the lower court of Ulm and registered under the registration number HRA 723723 ("**Colheim**"), which is sole shareholder of Outlast Technologies GmbH, a German limited liability company registered in the commercial register kept at the lower court of Ulm and registered under the registration under HRB 661689 ("**Outlast Technologies GmbH**").
2. Latent Heat is owner of the patents (including applications) as listed in **Schedule A** and the trademarks (including applications) as listed in **Schedule B** (all patents and trademarks listed in Schedule A and Schedule B collectively referred to as "**IP-Rights**").
3. Latent Heat, Outlast Germany, Colheim and Outlast Technologies GmbH ("**Parties**") intend to ultimately transfer the IP-Rights to Outlast Technologies GmbH by way of contributions of the IP-Rights down the chain in the capital reserves of Outlast Germany, Colheim and finally Outlast Technologies GmbH against an agreed consideration of EUR 7,240,000.00.

NOW, THEREFORE, the Parties agree as follows ("**Contribution Agreement**"):

1. Contributions

1.1 Contributions of IP-Rights from Latent Heat to Outlast Germany

Latent Heat hereby undertakes to contribute the IP-Rights as a contribution in kind into the capital reserves of Outlast Germany pursuant to Section 272 para. 2 No. 4 of the German Commercial Code. Outlast Germany accepts this contribution ("**Contribution to Outlast Germany**").

1.2 Contributions of IP-Rights from Outlast Germany to Colheim

Immediately after the Contribution to Outlast Germany, Outlast Germany hereby undertakes to contribute the IP-Rights as a contribution in kind into the capital reserves of Colheim pursuant to Section 272 para. 2 No. 4 of the German Commercial Code with immediate effect. Colheim accepts this contribution ("**Contribution to Colheim**").

1.3 Contributions of IP-Rights from Colheim to Outlast Technologies GmbH

Immediately after the Contribution to Colheim, Colheim hereby undertakes to contribute the IP-Rights as a contribution in kind into the capital reserves of Outlast Technologies GmbH pursuant to Section 272 para. 2 No. 4 of the German Commercial Code with immediate effect. Outlast Technologies GmbH accepts this contribution ("**Contribution to Outlast Technologies GmbH**", together with Contribution to Outlast Germany and Contribution to Colheim the "**Contributions of IP-Rights**").

1.4 Contributions of Customer Relationships

The Parties are aware that certain customer relationships as set forth in **Schedule C** ("**Customer Relationships**") have already been contributed from Latent Heat into Outlast Technologies GmbH based on an oral agreement. For the sake of good order the Parties hereby expressly confirm that these contributions of Customer Relationships have taken place and have been treated in accordance with this Contribution Agreement ("**Contribution of Customer Relationships**").

2. Execution of the Contributions; Effective Date

2.1 The Contributions of IP-Rights shall be executed via Patent and Trademark Assignment Agreements, substantially in the form as hereto attached in **Annex A**.

2.2 The registration of the transfer of the IP-Rights from Latent Heat to Outlast Technologies GmbH shall be made in accordance in an IP-Rights Registration Agreement in the form as hereto attached as **Annex B**.

2.3 Subject to Section 2.6, Latent Heat and Outlast Germany hereby undertake to execute the Patent and Trademark Assignment Agreements and the IP-Rights Registration Agreements with respect to the Contribution to Outlast Germany as soon as reasonably practicable after the execution of this Agreement.

2.4 Subject to Section 2.6, Outlast Germany and Colheim hereby undertake to execute the Patent and Trademark Assignment Agreements and the IP-Rights Registration Agreements with

respect to the Contribution to Colheim as soon as reasonably practicable after the Contribution to Outlast Germany has been effected.

- 2.5 Subject to Section 2.6, Colheim and Outlast Germany hereby undertake to execute the Patent and Trademark Assignment Agreements and the IP-Rights Registration Agreements with respect to the Contribution to Outlast Technologies GmbH as soon as reasonably practicable after the Contribution to Colheim has been effected.
- 2.6 An actual assignment of the IP-Rights *in rem* to Outlast Germany and to Colheim shall – as intermediate steps of the Contributions of IP-Rights –, to the extent legally permissible not be necessary for the transfer of the IP-Rights to Outlast Technologies GmbH, but the Parties rather agree that as an abbreviated assignment a direct assignment and registration of the IP-Rights from Latent Heat to Outlast Technologies GmbH should be considered as fulfillment of the respective contribution undertakings.

3. Consideration

- 3.1 The IP-Rights and the Customer Relationships shall be transferred and booked to the capital reserves (Section 272 para. 2 No. 4 of the German Commercial Code) of Outlast Germany, Colheim and Outlast Technologies GmbH.
- 3.2 The consideration for the Contributions of IP-Rights and the Customer Relationships shall be a payment of EUR 7,240,000.00 paid by Outlast Technologies GmbH to Latent Heat ("**Consideration**") and a creation of certain preference rights on the Partners' Account in the Partnership of Colheim.

Within 3 months of the signing of this Agreement the Parties shall agree on the allocation of the Consideration of the individual IP-Rights and Customer Relationships transferred.

- 3.3 The payment of the Consideration shall be made by wire transfer in immediately available, cleared funds, value as of the relevant due date, free of bank and/or other charges and with the annotation "**Consideration for Contribution of IP-Rights**" immediately upon receipt of the third party financing from UniCredit by Outlast Technologies GmbH to the following bank account:

Bank:	Standard Chartered Bank, Frankfurt
IBAN:	DE37512305000018313607
Swift Code:	SCBLDEFX

- 3.4 Subject to the condition precedent (*aufschiebende Bedingung*) that the Contributions of IP-Rights to Outlast Technologies GmbH should not be fully effected by June 30, 2019 for reasons that lie within the sphere of Latent Heat or Outlast Germany LLC, then each of Latent Heat and Outlast Germany LLC hereby individually grant an irrevocable power of attorney to Outlast Technologies GmbH to perform any action and to make and receive any declaration deemed necessary or beneficial by Outlast Technologies GmbH to effect the Contribution of IP-Rights in accordance with this Agreement.

4. Guarantees of Latent Heat

By way of an independent absolute guarantee regardless of fault or negligence pursuant to Section 311 German Civil Code (BGB), Latent Heat hereby guarantees that

- 4.1 Latent Heat is the sole legal and beneficial owner of the IP-Rights and these IP-Rights are not encumbered with any third party rights,
- 4.2 Except for trademarks and licenses granted to customers in the ordinary course of business, Latent Heat has not entered into license agreements as licensor with respect to any of the IP-Rights, except the license agreement entered into with Outlast Technologies GmbH,
- 4.3 To the best knowledge of Latent Heat, Latent Heat has properly maintained, and will continue to maintain until the Contributions of IP-Rights to Outlast Technologies GmbH have been validly effected, the IP-Rights, in particular in relation to applications in a timely manner for renewals and the payment when due of all registration and renewal fees as well as all annuities,
- 4.4 To the best knowledge of Latent Heat, the IP-Rights are (i) not subject to any pending judicial or regulatory proceeding in which any of the IP-Rights is being challenged, (ii), to knowledge of Latent Heat, not being infringed by third parties and (iii) not subject to any cancellation proceedings, and
- 4.5 Latent Heat has duly complied with the requirements, contractual or otherwise, regarding the transfer of rights relating employee inventions under US law, which should also cover the requirements of the provisions of the German Act on Employee Inventions (*Arbeitnehmererfindungsgesetz*) or similar foreign law (in particular, Latent Heat has paid all remuneration to persons entitled to any compensation under employee inventions laws).

5. Use of Rights by Latent Heat

After signing and execution of this Contribution Agreement and the agreements under **Annex A** Outlast Technologies GmbH shall grant to Latent Heat a non-exclusive, non-transferable, non-sublicensable and royalty-free right to use the Outlast trademarks in its and its affiliates' company names and to sell of certain products for an interim period ending six months after signing of this Contribution Agreement.

6. Termination of IP Licence Agreement

- 6.1 With effect as of the point in time, in which the Contributions of IP-Rights to Outlast Technologies GmbH have been validly effected, Latent Heat and Outlast Technologies GmbH hereby mutually terminate the license agreement entered into on April 1, 2012 ("**License Agreement**").
- 6.2 Latent Heat and Outlast Technologies GmbH hereby further agree that upon payment of the Consideration, Outlast Technologies GmbH shall not be obliged any more to pay any royalties/license fees under the License Agreement to Latent Heat.

7. Costs and Taxes

The costs incurred and taxes triggered by the Contribution Agreement and its implementation shall be borne by Outlast Technologies GmbH, except for the costs of Latent Heat associated with consultation of its lawyers.

8. Miscellaneous

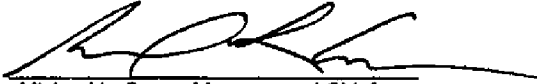

- 8.1 Any modifications of and additions to this Contribution Agreement, including the written form requirement, shall be made in writing to be effective, unless notarization is required.
- 8.2 Should individual provisions of this Contribution Agreement be or become invalid or impracticable in whole or in part, the validity of all other provisions of this Contribution Agreement shall not be affected. The Parties shall replace the respective invalid or impracticable provision by reasonable provision coming as close as legally possible to what the Parties intended or would have intended in accordance with the aim and purpose of this Contribution Agreement had they considered the respective invalidity and/or impracticability when entering into this Contribution Agreement. The same shall apply to any gaps in this Contribution Agreement.
- 8.3 This Contribution Agreement shall be governed by German law.

Patent and Trademark Assignment Agreements

Patent and Trademark Assignment Agreement

(hereinafter referred to as "Agreement")

by and between

1. Latent Heat Solutions, LLC, a US limited liability company, having its registered office in Wilmington, Delaware, USA, registered with the office of the Secretary of the State of Delaware under number 5110878

- "Transferor" -

and

2. Outlast Germany LLC, a US limited liability company, having its registered office in Golden, Colorado, USA, registered with the office of the Secretary of the State of Delaware under number 5361467

- "Transferee" -

- Transferor and Transferee collectively referred to as "Parties" and each as "Party" -

Recitals

- A. Latent Heat Solutions, LLC, a US limited liability partnership, having its registered office in Wilmington, Delaware, USA, registered with the office of the Secretary of the State of Delaware under number 5110878 ("Latent Heat") is owner of the patents and patent applications as listed in Schedule A to the contribution agreement, dated May 2nd, 2019 ("Contribution Agreement") and the trademarks and trademark applications as listed in Schedule B to the Contribution Agreement (collectively "IP-Rights").
- B. It is intended that Outlast Technologies GmbH shall become owner of the IP-Rights via a transfer of the IP-Rights down the chain by contributions in the capital reserve (Section 272 para. 2 No. 4 of the German Commercial Code) and paying a consideration as agreed in the Contribution Agreement ("Consideration").
- C. For the fulfillment of the Contribution Agreement, Transferor assigns the IP-Rights to Transferee under the following terms and conditions:

1. Assignment and Transfer of Patents and Trademarks

Subject to the payment of the Consideration by Outlast Technologies GmbH in accordance with the Contribution Agreement, Transferor hereby irrevocably assigns into the capital reserve (Section 272 para. 2 No. 4 of the German Commercial Code) of the Transferee, and Transferee hereby accepts such assignment, all of the Transferor's right, title, and interest in and to the following IP-Rights (collectively "**Acquired Rights**"):

- 1.1. the patents and patent applications listed in **Schedule A** to the Contribution Agreement, and all patents that derive from such patent applications, all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations, and renewals, of any of the foregoing ("**Patents**"), and any other patents or patent applications based on which any Patents claim priority or that claim priority from any Patents, and inventions disclosed and claimed in any of the foregoing;
- 1.2. the trademarks and trademark applications set forth in **Schedule B** to the Contribution Agreement, and all issuances, extension, and renewals thereof ("**Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;
- 1.3. all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to Transferor with respect to any of the foregoing;
- 1.4. all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for future infringement, misappropriation, violation, breach, or default; and
- 1.5. all other rights, privileges, and protections of any kind whatsoever of Transferor accruing under any of the foregoing provided by any applicable law, treaty, or other international convention throughout the world.

2. Terms of the Contribution Agreement

The Parties acknowledge and agree that this Agreement is entered into pursuant to the terms of the Contribution Agreement, to which reference is made for a further statement of the rights and obligations of Transferor and Transferee with respect to the Acquired Rights. The representations, warranties, covenants, agreements, and indemnities contained in the Contribution Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Contribution Agreement and the terms hereof, the terms of the Contribution Agreement shall prevail.

3. Miscellaneous

- 3.1. Any modifications of and additions to this Agreement shall be made in writing to be effective, unless notarization is required. This shall also apply to changes to the written form requirement itself.
- 3.2. Should individual provisions of this Agreement be or become invalid or impracticable in whole or in part, the validity of all other provisions of this Agreement shall not be affected. The Parties shall replace the respective invalid or impracticable provision by

reasonable provision coming as close as legally possible to what the parties intended or would have intended in accordance with the aim and purpose of this Agreement had they considered the respective invalidity and/or impracticability when entering into this Agreement. The same shall apply *mutatis mutandis* to any unclear provisions and gaps contained in this Agreement.

- 3.3. This Agreement shall be governed and construed under the law of the Federal Republic of Germany under exclusion of the United Nations Convention on Contracts for the International Sale of Goods.
- 3.4. The exclusive place of jurisdiction for all disputes arising out of, or in connection with, this Agreement is, to the extent legally permissible, Ellwangen, Germany.
- 3.5. This Agreement will come into force on the day on which it has been signed by both Parties.

reasonable provision coming as close as legally possible to what the parties intended or would have intended in accordance with the aim and purpose of this Agreement had they considered the respective invalidity and/or impracticability when entering into this Agreement. The same shall apply *mutatis mutandis* to any unclear provisions and gaps contained in this Agreement.

- 3.3. This Agreement shall be governed and construed under the law of the Federal Republic of Germany under exclusion of the United Nations Convention on Contracts for the International Sale of Goods.
- 3.4. The exclusive place of jurisdiction for all disputes arising out of, or in connection with, this Agreement is, to the extent legally permissible, Ellwangen, Germany.
- 3.5. This Agreement will come into force on the day on which it has been signed by both Parties.

Annex B
IP-Rights Registration Agreement

IP-Rights Registration Agreement

(hereinafter referred to as "**Agreement**")

by and between

1. Latent Heat Solutions, LLC, a US limited liability company, having its registered office in Wilmington, Delaware, USA, registered with the office of the Secretary of the State of Delaware under number 5110878

- "Latent Heat" -

and

2. Outlast Technologies GmbH, a German law limited liability company with its registered seat in Heidenheim an der Brenz and registered with the commercial register of the local court of Ulm under HRB 661689

- "Outlast Technologies GmbH" -

- Latent Heat and Outlast Technologies GmbH collectively referred to as "**Parties**" and each as "**Party**" -

Recitals

- A. Latent Heat, a US limited liability partnership, having its registered office in Wilmington, Delaware, USA, registered with the office of the Secretary of the State of Delaware under number 5110878 is owner of the patents as listed in **Schedule A** to the contribution agreement, dated May 2nd, 2019 ("**Contribution Agreement**") and the trademarks as listed in **Schedule B** to the Contribution Agreement (collectively "**IP-Rights**").
- B. It is intended that Outlast Technologies GmbH shall become owner of the IP-Rights via a transfer of the IP-Rights down the chain of companies as described in the Recitals of the Contribution Agreement by contributions into the capital reserve and paying a Consideration as defined in the Contribution Agreement.
- C. For the fulfillment of the Contribution Agreement, Latent Heat and Outlast Germany LLC, Outlast Germany LLC and Colheim GmbH & Co. KG, and Colheim GmbH & Co. KG and Outlast Technologies GmbH entered into Patent and Trademark Assignment Agreements as attached to the Contribution Agreement in **Annex A**.
- D. In order to reflect the assignment of the IP-Rights and to effect the transfer of the IP-Rights where necessary, Latent Heat and Outlast Technologies GmbH agreed on the following obligations to cooperation:

1. Obligations of Latent Heat

- 1.1. Latent Heat grants to the Outlast Technologies GmbH within a reasonable time after the conclusion of the Contribution Agreement, but no later than two (2) weeks after the execution of this Agreement, in writing all necessary consents or declarations to register the transfer of rights in:
- 1.1.1. the patents and patent applications listed in **Schedule A** to the Contribution Agreement, and all patents that derive from such patent applications, all continuations, continuations-in-part, divisionals, extensions, substitutions, reissues, re-examinations, and renewals, of any of the foregoing ("**Patents**"), and any other patents or patent applications from which any Patents claim priority or that claim priority from any Patents, and inventions disclosed and claimed in any of the foregoing (collectively "**Acquired Patents**"); and
- 1.1.2. the trademarks and trademark applications set forth in **Schedule B** to the Contribution Agreement, and all issuances, extension, and renewals thereof ("**Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks (collectively "**Acquired Trademarks**") (Acquired Patents and Acquired Trademarks collectively "**Acquired IP Rights**").
- 1.2. Latent Heat shall submit to Outlast Technologies GmbH within a reasonable time after the conclusion of the Contribution Agreement, but no later than two (2) weeks after execution of this Agreement, the complete documents relating to the Acquired IP Rights, in particular the application documents, the certificates of registration with the respective registration authorities, and any oppositions files and/or agreements entered into with third parties in connection with the Acquired IP Rights, in such form and medium as reasonably requested by Outlast Technologies GmbH, together with a list of local prosecution counsel contacts, and all such other documents, correspondence, and information as are reasonably requested by Outlast Technologies GmbH to register, prosecute to issuance, own, enforce, or otherwise use the Acquired IP Rights, including any maintenance fees due and deadlines for actions to be taken concerning prosecution and maintenance of all Acquired Patents in the 90 day period following the date hereof.
- 1.3. Latent Heat shall provide Outlast Technologies GmbH with all the information requested about the past use of the Acquired IP Rights and shall make available to Outlast Technologies GmbH any existing evidence upon request.

2. Obligations of the Outlast Technologies GmbH

The costs, fees and expenses incurred by the changes in all respective registers of the Acquired IP Rights shall be borne by Outlast Technologies GmbH, except for the costs of Latent Heat associated with consultation of its lawyers.

3. Miscellaneous

- 3.1. Any modifications of and additions to this Agreement shall be made in writing to be effective, unless notarization is required. This shall also apply to changes to the written form requirement itself.
- 3.2. Should individual provisions of this Agreement be or become invalid or impracticable in whole or in part, the validity of all other provisions of this Agreement shall not be affected. The Parties shall replace the respective invalid or impracticable provision by reasonable provision coming as close as legally possible to what the parties intended or would have intended in accordance with the aim and purpose of this Agreement had they considered the respective invalidity and/or impracticability when entering into this Agreement. The same shall apply *mutatis mutandis* to any unclear provisions and gaps contained in this Agreement.
- 3.3. This Agreement shall be governed and construed under the law of the Federal Republic of Germany under exclusion of the United Nations Convention on Contracts for the International Sale of Goods.
- 3.4. The exclusive place of jurisdiction for all disputes arising out of, or in connection with, this Agreement is, to the extent legally permissible, Ellwangen, Germany.
- 3.5. This Agreement will come into force on the day on which it has been signed by both Parties.
