1. Assignor is or may be the owner of, or otherwise may claim common law trademark rights to, the registered and unregistered trademarks (including U.S. and international trademark applications) set forth in Exhibit A, attached hereto (collectively, the "Marks").
2. Assignor desires to convey, transfer, assign, deliver, and contribute to Assignee all of its right, title, and interest in and to the Marks.

NOW, THEREFORE, in consideration for the payment of \$100.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, conveys, transfers, assigns, delivers, and contributes to Assignee all of the following: (i) Assignor's right, title, and interest of whatever kind in and to the Marks (including, without limitation, all common law rights, the right to renew any registrations included in the Marks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Marks, any and all pending applications to register the Marks to the fullest extent permitted under the applicable laws (including, without limitation, 15 U.S.C. §1060), and any priority right that may arise from the Marks); (ii) That portion of the business of the Assignor to which the Marks pertain, as required by 15 U.S.C. §1060, and the goodwill associated with the same; (iii) All income, royalties, and damages hereafter due or payable to Assignor with respect to the Marks, including without limitation, damages and payments for past or future infringements and misappropriations of the Marks; and (iv) All rights to sue for past, present and future infringements or misappropriations of the Marks.

Assignor also fully, forever and irrevocably waives and agrees never to assert against Assignee any claim or rights in or to the Marks or any royalties, damages, or fees other than as expressly and specifically agreed by and between the parties in writing.

Furthermore, Assignor hereby authorizes the Commissioner for Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for the Marks to Assignee as legal assignee of Assignor's entire right, title and interest therein.
