RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (this “Release”), is dated as of October 21, 2019, and is made by Barclays Bank plc, as administrative agent for the Secured Parties (in such capacity and together with its successors in such capacity, the “Administrative Agent”), in favor of Dymatize Enterprises, LLC, a Delaware limited liability company, Premier Nutrition Company, LLC (formerly Premier Nutrition Corporation), a Delaware limited liability company and Supreme Protein, LLC, a Delaware limited liability company, (each, a “Released Grantor” and, together, the “Released Grantors”). Capitalized terms used but not otherwise defined herein have the meanings given to such terms (whether directly or by reference to another agreement or document) in the GCA (as defined below).

WHEREAS, the Released Grantors and the Administrative Agent (as successor to Wells Fargo Bank, National Association) are parties to (1) that certain Amended and Restated Guarantee and Collateral Agreement, dated as of March 28, 2017, in favor of the Administrative Agent (as further amended, restated, supplemented, replaced or otherwise modified from time to time, the “GCA”), which amends and restates that certain Guarantee and Collateral Agreement, dated as of January 29, 2014, and (2) each agreement identified on Schedule A attached hereto, but which respect to each Released Grantor only such agreement(s) to which it is a party (each, an “IP Security Agreement” and, together, the “IP Security Agreements”), in each case, pursuant to which the applicable Released Grantor granted to the Administrative Agent (for the benefit of the Secured Parties) a security interest in all of such Released Grantor’s right, title and interest in and to the following (the “Released IP Collateral”):

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new divisions, extensions or renewals thereof, including, without limitation, each registration and application identified in Schedule A attached hereto, (ii) the right to sue or otherwise recover for any and all past, present and future infringements, dilutions and other violations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements, dilutions and other violations thereof), and (iv) all other rights of any kind whatsoever of such Released Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above;

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule A attached hereto, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and other violations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements and other violations thereof), (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, reexaminations and extensions thereof, all improvements thereon, and (vi) all other rights of any kind whatsoever of such Released Grantor accruing thereunder or pertaining thereto;

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, and all works of authorship and other intellectual property rights therein,

all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule A attached hereto, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and other violations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements and other violations thereof), and (v) all other rights of any kind whatsoever of such Released Grantor accruing thereunder or pertaining thereto; and

(d) any and all proceeds of the foregoing; and

WHEREAS, each IP Security Agreement was recorded at the United States Patent and Trademark Office, the United States Copyright Office and/or the Canadian Intellectual Property Office on the date(s) and at the location(s) as specified on Schedule A attached hereto;

WHEREAS, each Released Grantor has been designated an Unrestricted Subsidiary pursuant to Section 6.17 of the Credit Agreement, and therefore all Liens granted by the Released Grantors in the Released IP Collateral have automatically been released pursuant to Section 9.10 of the Credit Agreement; and

WHEREAS, pursuant to Section 9.10 of the Credit Agreement, Post Holdings, Inc. has requested that the Administrative Agent execute and deliver this Release in order to evidence the release of the Administrative Agent's security interest in the Released IP Collateral for recordation at the United States Patent and Trademark Office, the United States Copyright Office and the Canadian Intellectual Property Office.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent, without any representation, warranty or recourse of any kind or nature, hereby terminates, releases and discharges its security interest in the Released IP Collateral, and hereby re-assigns, re-transfers and re-conveys to the applicable Released Grantor any and all right, title and interest the Administrative Agent may have in or to the Released IP Collateral.

This Release is applicable solely with respect to the Released Grantors and the Released IP Collateral and to no other Intellectual Property Collateral (as defined in each of the IP Security Agreements) (collectively, the "Retained Collateral"). The Administrative Agent's security interest, liens, rights and interests in the Retained Collateral shall not be, and shall not be deemed to be, impaired, interrupted or otherwise modified in any respect by this Release.

[Signature page follows]

IN WITNESS WHEREOF, the undersigned has caused this Release to be executed by its duly authorized representative as of the date first above written.
