ABL TRADEMARK SECURITY AGREEMENT

This ABL TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”) dated as of October 21, 2019, is made by the Person listed on the signature pages hereof (the “Grantor”) in favor of BANK OF AMERICA, N.A. (“Bank of America”) as Collateral Agent (the “Collateral Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

WHEREAS, UTZ QUALITY FOODS, LLC, a Delaware limited liability company (the “Administrative Borrower”), GOLDEN FLAKE SNACK FOODS, INC., a Delaware corporation (a “Co-Borrower” and together with any Additional Borrowers from time to time party thereto and the Administrative Borrower, the “Borrowers”), UM-U INTERMEDIATE, LLC, a Delaware limited liability company (“UM-U Parent”), UM-R INTERMEDIATE, LLC, a Delaware limited liability company (“UM-R Parent”), SRS LEASING, LLC, a Delaware limited liability company (“SRS Leasing Parent”, and together with UM-U Parent and UM-R Parent, the “Parents”), MANUFACTURERS AND TRADERS TRUST COMPANY, as L/C Issuer, BANK OF AMERICA, as Administrative Agent, Collateral Agent, L/C Issuer and Swing Line Lender, each Lender from time to time party thereto (collectively, the “Lenders” and individually, a “Lender”) and each other party thereto have entered into the ABL Credit Agreement dated as of November 21, 2017 (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to make Loans upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Credit Agreement, the Grantor entered into Supplement No. 1 to the Security Agreement dated as of January 26, 2018 under the terms of which the Grantor became a “Grantor” (as defined in the Security Agreement) under that certain ABL Security Agreement dated as of November 21, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in order to induce the Lenders to make Loans from time to time.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantor, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

SECTION 1. Grant of Security. Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of the Grantor’s right, title and interest in and to all registered Trademarks (as defined in the Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office, including those set forth in Schedule A hereto (excluding any Excluded Property) (the “ABL Collateral”).

SECTION 2. Security for Obligations. The grant of a security interest in the ABL Collateral by the Grantor under this Trademark Security Agreement secures the payment of all Obligations of the Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by the Grantor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the ABL Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Signature Pages Follow]

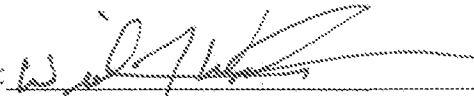

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
