TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Agreement”), dated as of August 30, 2019 is between PB OUTPATIENT SERVICES FLORIDA, LLC, a Delaware limited liability company (“Grantor”), in favor of POST ROAD ADMINISTRATIVE LLC, in its capacity as the administrative agent (in such capacity, the “Administrative Agent”) for the financial institutions from time to time party to the Credit Agreement referred to below, as Lenders thereunder.

RECITALS

A. Grantor and PROJECT BUILD BEHAVIORAL HEALTH, LLC, a Delaware limited liability company, as Borrowers and/or Guarantors thereunder, the financial institutions from time to time party thereto, as Lenders thereunder, and the Administrative Agent entered into that certain First Lien Credit Agreement dated as of April 22, 2019 (such First Lien Credit Agreement, as the same may be amended, modified, supplemented and/or restated from time to time, hereinafter is referred to as the “Credit Agreement”), pursuant to which the Lenders have agreed to provide extensions of credit, loans and other Loans (collectively, the “Loans”) to or for the benefit of Grantor.

B. In order to secure the Loans, Grantor has granted to the Administrative Agent a security interest and lien in and to all of Grantor’s assets, including, but not limited to, all patents, trademarks, trademark registrations, trade names, copyrights, all applications therefor and all other intellectual or proprietary rights or interests of any kind, nature or description whatsoever.

C. One of the requirements of the Credit Agreement and the other Loan Documents (as such term is defined in the Credit Agreement) is that Grantor shall have executed and delivered this Agreement to the Administrative Agent.

NOW, THEREFORE, in consideration of the Loans, the mutual promises and understandings of Grantor and the Administrative Agent set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor covenants unto and agrees with the Administrative Agent as follows:

1. Defined Terms.

(a) Capitalized terms used but not elsewhere defined in this Agreement shall have the respective meanings ascribed to such terms in the Credit Agreement.

(b) The term “Trademark” shall mean any trademark, service mark, trade name (but excluding any application to register a trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein would void or invalidate such trademark, service mark or other mark), and including without limitation the right to sue for past infringement and damages therefor, and all licenses thereof, all as presently existing or hereafter arising or acquired, including without limitation trademarks,

service marks and trade names listed on Schedule I, and all income and royalties with respect to such trademark, service mark, or trade name.

2. Grant of Security Interest in Trademark Collateral. To secure the Obligations, Grantor hereby grants to the Administrative Agent a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether now owned or hereafter acquired, presently existing or hereafter created (collectively, the "Trademark Collateral"):

(a) each Trademark owned by Grantor, including but not limited to those listed on Schedule I attached hereto, and all rights of Grantor under licenses of Trademarks owned by other Persons, in each case whether such Trademarks are registered or unregistered and wherever registered, together with all rights arising therefrom and pertaining thereto and all reissues, extensions, continuations and renewals thereof;

(b) all manuscripts, documents, writings, tapes, disks, storage media, computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating the Trademarks, and all other rights of every kind whatsoever accruing thereunder or pertaining thereto;

(c) all of the goodwill of Grantor's business connected with the use of, and/or symbolized by, each such Trademark and/or Trademark license; and

(d) all products and proceeds of the foregoing, including, but not limited to, (i) all income, royalties and payments now and hereafter due or payable under and with respect to the foregoing, including payments under all licenses and/or sublicenses entered into in connection therewith, (ii) all claims and damages for past or future infringements or dilutions thereof, (iii) the right to sue and recover for past, present and future infringements, unconsented use and/or dilutions thereof, (iv) the right to sue for injury to the goodwill of Grantor's business symbolized by or connected with any Trademark owned or licensed by Grantor, and (v) all of Grantor's rights corresponding thereto throughout the world.

3. Agreement; Security Agreement. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Guarantee and Collateral Agreement dated as of April 22, 2019 (the "Guarantee and Collateral Agreement"). Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the provisions of the Guarantee and Collateral Agreement and this Agreement, the Guarantee and Collateral Agreement shall control.

4. Representations and Warranties. Grantor represents and warrants to the Administrative Agent that a true and correct list of all of Grantor's United States (a) registered trademarks and trademark registrations is set forth on Part 1 of Schedule I attached hereto, and (b) applications for trademark registrations is set forth on Part 2 of Schedule I attached hereto.

5. Further Acts. Grantor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be reasonably necessary or advisable or may be reasonably requested by the Administrative Agent for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, and to enable the Administrative Agent to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral, including any documents for filing with the United States Patent and Trademark Office or any applicable state office. The Administrative Agent may record this Agreement, an abstract thereof, or any other document describing the Administrative Agent's security interest in the Trademarks with the United States Patent and Trademark Office, at the expense of Grantor. In addition, Grantor authorizes the Administrative Agent to file financing statements describing the Trademark Collateral in any UCC filing office deemed appropriate by the Administrative Agent. If Grantor shall at any time hold or acquire a commercial tort claim arising with respect to the Trademark Collateral, Grantor immediately shall notify the Administrative Agent in a writing signed by the Grantor of the brief details thereof and grant to the Administrative Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Administrative Agent.

6. Authorization to Supplement. Upon mutual agreement, either Grantor or Administrative Agent shall modify this Agreement by amending Schedule I to include any future United States registered trademark of Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Administrative Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

7. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.
