ASSIGNMENT OF TRADEMARK RIGHTS

THIS ASSIGNMENT OF TRADEMARK RIGHTS (the "Agreement") is made effective as of the date of the last signature below (the "Effective Date") by and between Transcontinental Technology LLC, with offices at 1 Place Ville Marie, Suite 3240, Montreal, Quebec, Canada H3B 0G1 ("Assignor"), and Transcontinental US LLC, a Delaware limited liability company, with offices at 1 Place Ville Marie, Suite 3240, Montreal, Quebec, Canada H3B 0G1 ("Assignee").

WHEREAS, Assignor is the owner of the SEAL 'N VENT trademark (the "Trademark"), including, without limitation U.S. Trademark Registration No. 3,319,958 (the "Registration"); and

WHEREAS Assignor desires to assign the Trademark to Assignee, and Assignee desires to acquire from Assignor the entire worldwide right, title and interest in and to the Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its entire worldwide right, title, and interest in and to the Trademark, including, without limitation, the Registration, any renewals and extensions of the Registration, all related common law rights in and to the Trademark, and the goodwill pertaining to the Trademark, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the

Trademark, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Trademark, including, without limitation, the Registration. Assignor will, at the reasonable request of Assignee and without demanding any further consideration therefor, do all things necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordation of specific assignments, oaths, declarations and other documents on a country-by-country basis, to assist Assignee in obtaining, perfecting, sustaining, and/or enforcing the Trademark. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document it is entitled to under this Assignment, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as its agents and attorneys-in-fact with full power of substitution to act for and on their behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

The parties may execute this Agreement in multiple counterparts, any one of which need not contain the signature of more than one party, but all such counterparts taken together shall constitute one and the same instrument. Any counterpart may be executed by facsimile or PDF signature and such facsimile or PDF signature shall be deemed an original. The terms and conditions of this Agreement shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, its successors, assigns and other legal representatives.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their duly authorized officers as of the Effective Date.
