TRADEMARK SECURITY AGREEMENT dated as of May 23, 2019 (this "Agreement"), among Tao Intermedia Holdings LLC, ("Intermediate Holdings"), Tao Group Holdings LLC (the "Borrower"), the other Subsidiary Loan Parties from time to time party hereto and JPMorgan Chase Bank, N.A. ("JPMCB"), as Administrative Agent and Collateral Agent (in such capacity, the "Collateral Agent").

Reference is made to (a) the Credit Agreement, dated as of May 23, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Intermediate Holdings, the Borrower, the Lenders from time to time party thereto and JPMCB, as Administrative Agent and Collateral Agent, and (b) the Security Agreement, dated as of May 23, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among Intermediate Holdings, the Borrower, the other Subsidiary Loan Parties from time to time party thereto and JPMCB, as Collateral Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Intermediate Holdings and the Subsidiary Loan Parties party hereto (other than the Borrower) are Affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor party hereto did (pursuant to the Collateral Agreement), and hereby does, grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest, but excluding (a) any Intellectual Property (as defined in the Collateral Agreement) for which the granting of a security interest therein would terminate, invalidate, void, cancel, degrade, violate or abandon such Intellectual Property and (b) any "intent-to-use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of the Lanham Act has been filed (collectively, the "Trademark Collateral");

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source or business identifiers, designs, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II; and
- (b) all goodwill associated therewith or symbolized thereby.

SECTION 3. Collateral Agreement. This Agreement has been entered into in conjunction with the provisions of, and the security interest granted to the Collateral Agent under, the Collateral Agreement. This Agreement is subject in all respects to the terms and provisions of the Collateral Agreement, including, but not limited to, each Grantor's obligations, representations, warranties and covenants relating to the Trademark Collateral. Each Grantor party hereto acknowledges and agrees that the obligations, representations, warranties and covenants contained in the Collateral Agreement shall not be superseded hereby but shall remain in effect to the extent provided therein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5. Termination. The security interests granted herein will automatically terminate (and all rights to the Trademark Collateral will revert to each of the applicable Grantors) in accordance with Section 7.12 of the Collateral Agreement. The Collateral Agent shall, in connection with any termination or release herein or under the Collateral Agreement, execute and deliver to any applicable Grantor as such Grantor may reasonably request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such termination or release, the Collateral Agent shall reasonably cooperate, at the applicable Grantor's sole cost and expense, with any efforts made by such Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

SECTION 6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.
