GRANT OF SECURITY INTEREST  
IN TRADEMARKS

October 17, 2019

WHEREAS, EDGE TECHNOLOGIES, INC., a Virginia corporation (“Grantor”), is the owner of the trademark applications and registrations listed on Schedule A attached hereto (all such trademarks, registrations and applications, collectively, the “Trademarks”);

WHEREAS, Grantor has entered into a Security Agreement (as amended, restated, supplemented, or otherwise modified from time to time, the “Security Agreement”), dated June 27, 2018, in which Grantor has granted to Salem Investment Partners IV, Limited Partnership, a North Carolina limited partnership with offices at 7900 Triad Center Drive, Suite 333, Greensboro, North Carolina 27409 (“Lender”), a security interest in all of Grantor’s right, title and interest in general intangibles, including without limitation, the Trademarks and agreed to execute this Grant.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as security for the payment and performance of the Obligations (as defined in the Security Agreement), Grantor does hereby grant to Lender a security interest in all of its right, title and interest in and to the Trademarks, and the use thereof, together with all proceeds and products thereof and the goodwill of the businesses symbolized by the Trademarks. This Grant has been given in conjunction with the security interest granted to Lender under the Security Agreement, and the provisions of this Grant are without prejudice to and in addition to the provisions of the Security Agreement, which are incorporated herein by this reference.

The security interest granted to Lender in this instrument shall exist continually until all Obligations (other than contingent obligations for which no claim has been made) have been paid in full. Upon such payment, Lender shall, at Grantor’s request and expense, send such termination statements to Grantor or file them with any applicable filing office.

*[Signature page follows]*

IN WITNESS WHEREOF, Grantor has caused this Grant of Security Interest in Trademarks to be executed by its duly authorized representative as of the date first written above.
