THIS INTELLECTUAL PROPERTY ASSET PURCHASE AGREEMENT (this "Agreement") is made as of September 11, 2019 (the "Effective Date"), by and between CJS Group, LP, a limited partnership ("Buyer"), and CHARMING CHARLIE LLC, a Delaware limited liability company ("Seller"). Capitalized terms used herein and not otherwise defined herein have the meaning set forth in Article I.

RECITALS

WHEREAS, Seller is a specialty retailer focused on colorful fashion jewelry, handbags, apparel, gifts and beauty products;

WHEREAS, on July 11, 2019, Seller filed a voluntary petition for relief (the "Filing") commencing a case under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court");

WHEREAS, Buyer has delivered to Hilco IP Services, LLC d/b/a Hilco Streambank (the "Hilco") an amount in cash (such amount, as it may be adjusted pursuant hereto, the "Minimum Deposit") in immediately available funds pursuant to the terms of a Bid Submission Form for Intellectual Property Assets of Charming Charlie Holdings Inc., et al, dated September 4th, 2019;

WHEREAS, Seller believes, following consultation with Seller's financial advisors and retained consultants, and consideration of available alternatives, that, in light of the current circumstances, a sale of certain of Seller's intellectual property assets as provided herein is necessary to preserve and maximize value, and is in the best interest of Seller, Seller's creditors, and stakeholders;

WHEREAS, Seller desires to sell to Buyer all of the Acquired Assets (defined below) and transfer to Buyer the Assumed Liabilities (defined below), and Buyer desires to purchase from Seller all of the Acquired Assets and assume all of the Assumed Liabilities, in each case on the terms and subject to the conditions hereinafter set forth;

WHEREAS, the execution and delivery of this Agreement and Seller's ability to consummate the transactions set forth in this Agreement are subject to, among other things, the entry of the Sale Order under, *inter alia*, Sections 363 and 365 of the Bankruptcy Code; and

WHEREAS, the Parties desire to consummate the proposed transaction as promptly as practicable after the Bankruptcy Court enters the Sale Order.

NOW, THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties and covenants herein contained, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE II

PURCHASE AND SALE

Section 2.1 Purchase and Sale of the Acquired Assets. On the terms and subject to the conditions set forth in this Agreement, on the Closing Date, in consideration of payment of the Purchase Price and assumption of the Assumed Liabilities by Buyer, Seller shall sell, transfer, assign, convey and deliver, or cause to be sold, transferred, assigned, conveyed and delivered, to Buyer, and Buyer shall purchase, assume and accept from Seller, all right, title and interest of Seller in, to, or under the following (collectively, the "Acquired Assets"):

- (a) the Intellectual Property;
- (b) the Documents;
- (c) all goodwill associated with the Intellectual Property;
- (d) all Claims of Seller (other than warranty claims and Avoidance Actions) to the extent arising out of, or relating to, the Intellectual Property or the Documents; and
- (e) all transferrable rights of Seller under non-disclosure or confidentiality, non-compete, or non-solicitation Contracts relating to the Intellectual Property or the Documents.

Section 2.2 Excluded Assets. Notwithstanding anything herein to the contrary, the Buyer shall not acquire any right, title or interest in or to any assets, properties, rights, interests, or claims of any kind or description of Seller or its Affiliates other than the Acquired Assets (collectively, the "Excluded Assets").

Section 2.3 Assumed Liabilities. On the terms and subject to the conditions set forth in this Agreement, at the Closing, contemporaneously with the sale, assignment and transfer of the Acquired Assets to Buyer, Buyer shall assume and agree to pay, perform and discharge, as and when due (in accordance with the respective terms and subject to the respective conditions thereof) all Liabilities arising from the ownership of the Acquired Assets and the use thereof by Buyer from and after the Closing (collectively, the "Assumed Liabilities").

Section 2.4 Excluded Liabilities. Buyer shall not assume or be obliged to pay, perform or otherwise discharge, and Seller shall be solely and exclusively liable with respect to, any Liability of Seller that is not an Assumed Liability (such Liabilities, collectively, the "Excluded Liabilities").

Section 2.5 Further Assurances. Following the Closing, Seller, on the one hand, and Buyer, on the other hand, shall use their respective commercially reasonable efforts to take, or cause to be taken, all appropriate action, do or cause to be done all things reasonably necessary under applicable Law, and execute and deliver such instruments and documents and to take such other actions, as may be required to consummate the transactions contemplated by this Agreement at or after the Closing; provided that nothing in this Section 2.5 shall prohibit Seller from ceasing operations or winding up Seller's affairs following the Closing. In furtherance and

Subject to requisite Bankruptcy Court approval, as applicable, this Agreement and the other Transaction Documents constitute, with respect to Seller, the legal, valid and binding obligations of Seller, enforceable against Seller in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to, and after giving effect to, requisite Bankruptcy Court approval (including, without limitation, the Sale Order), as applicable, and except (a) for entry of the Sale Order and (b) for notices, filings and consents required in connection with the Bankruptcy Case, Seller is not required to give any notice to, make any filing with or obtain any consent from any Person (including any Governmental Authority) in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the transactions contemplated hereby and thereby, except for such notices, filings and consents, the failure of which to provide, make or obtain, would not, individually or in the aggregate, have a Material Adverse Effect.

Section 5.3 Title to Acquired Assets. Immediately prior to Closing, Seller will have and, upon delivery to Buyer on the Closing Date of the instruments of transfer contemplated by Section 4.3, and subject to the terms of the Sale Order, Seller will thereby transfer to Buyer, title to or, a valid contractual interest in, all of the Acquired Assets free and clear of all Encumbrances, except (i) as set forth on Schedule 5.3 and (ii) for Permitted Encumbrances; provided, that, the foregoing representation and warranty is not and shall not be deemed to be a representation or warranty of any kind regarding the infringement, misappropriation, or other violation of any intellectual property rights of any third party.

Section 5.4 Taxes. There are no Encumbrances for Taxes on any of the Acquired Assets other than Permitted Encumbrances.

Section 5.5 Legal Proceedings. As of the date hereof, except for the Bankruptcy Case and as set forth on Schedule 5.5, there is no Proceeding or Order pending, outstanding or, to Seller's Knowledge, threatened against Seller that (a) seeks to restrain or prohibit or otherwise challenge the consummation, legality or validity of the transactions contemplated hereby or (b) would have, individually or in the aggregate, a Material Adverse Effect.

Section 5.6 Brokers or Finders. Except as set forth on Schedule 5.6 hereof, Seller has not incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment owed in connection with this Agreement, the other Transaction Documents to which it is a party or the transactions contemplated hereby or thereby, in all cases for which Buyer is or will become liable following the Closing.

Section 5.7 Intellectual Property.

(a) The issued Patents, registered Trademarks and registered Copyrights included in the Acquired Assets are subsisting and, to Seller's Knowledge, valid and enforceable. Seller owns and possesses, free and clear of all Encumbrances (other than Permitted Encumbrances), all right, title, and interest in and to, or, in the case of Online Properties, a valid contractual interest in, the Intellectual Property included in the Acquired Assets, except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) To Seller's Knowledge, no third party is infringing or misappropriating any Intellectual Property included in the Acquired Assets in a material manner.

Section 5.8 No Other Representations or Warranties; No Survival. Buyer acknowledges, on behalf of itself and its Affiliates, that, except for the representations and warranties contained in this Article V, none of Seller, Seller's Affiliates or any other Person on behalf of Seller or Seller's Affiliates makes any express or implied representation or warranty with respect to Seller, the Acquired Assets, the Assume Liabilities or with respect to any information provided by or on behalf of Seller or its Affiliates to Buyer. Without limiting the generality of the foregoing, Seller expressly disclaims any representations or warranties regarding accuracy, sufficiency, fitness for a particular purpose, merchantability, and non-infringement of third party rights. The representations and warranties of Seller will expire upon the earlier of the Closing Date or the termination of this Agreement.

ARTICLE VI

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Seller that the following statements contained in this Article VI are true and correct:

Section 6.1 Organization and Good Standing. Buyer is a limited partnership, duly organized, validly existing and in good standing under the laws of the jurisdiction of Buyer's organization. Buyer has the requisite power and authority to own or lease and to operate and use Buyer's properties and to carry on Buyer's business as now conducted.

Section 6.2 Authority; Validity; Consents. Buyer has the requisite power and authority necessary to enter into and perform Buyer's obligations under this Agreement and the other Transaction Documents to which it is a party and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance of this Agreement by Buyer and the consummation by Buyer of the transactions contemplated herein have been duly and validly authorized by all requisite corporate actions in respect thereof. This Agreement has been duly and validly executed and delivered by Buyer and each other Transaction Document to which Buyer is a party will be duly and validly executed and delivered by Buyer at the Closing. This Agreement and the other Transaction Documents to which Buyer is a party constitute the legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar laws now or hereafter in effect relating to creditors' rights generally or general principles of equity. Subject to requisite Bankruptcy Court approval, as applicable, Buyer is not and will not be required to give any notice to or obtain any consent from any Person in connection with the execution and delivery of this Agreement and the other Transaction Documents to which it is a party or the consummation or performance of any of the transactions contemplated hereby or thereby.

Section 6.3 No Conflict. When the consents and other actions described in Section 6.2 have been obtained and taken, the execution and delivery of this Agreement and the other Transaction Documents and the consummation of the transactions provided for herein and
