## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") dated as of September 27, 2019 (the "Effective Date"), is made by and between Schlumberger Technology Corporation, a corporation of the state of Texas, having an address of Suite 100, 5599 San Felipe, Houston, TX 77056 ("Assignor"), and Sensia LLC a limited liability company of the State of Delaware, having an address of 200 Westlake Park Blvd, Houston, Texas 77079 ("Assignee").

### WITNESSETH:

WHEREAS, Assignor is the record owner of the United States trademark registrations and United States trademark applications identified on Schedule A (collectively, the "Trademarks"); and

WHEREAS, pursuant to the Contribution Agreement (the "Contribution Agreement"), dated as of September 27, 2019, by and between Assignor and Assignee, Assignee has acquired and Assignor has assigned various assets, including the Trademarks, to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises and agreements contained in this Assignment, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Assignment. Assignor hereby confirms that it assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Trademarks in the United States of America, including without limitation all goodwill associated therewith, all registrations that have been or may be granted thereon and all applications for registrations thereof, and all records and files related thereto, the right to all income, royalties, damages and payments hereafter due or payable with respect to the Trademarks, the right to prosecute, maintain and defend the Trademarks before any public or private agency, office or registrar, together with the right to sue and recover damages for all causes of action (either in law or in equity). Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record Assignee as the assignee of all of Assignor's right, title and interest in, to and under the Trademarks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications.

2. Cooperation. Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and assigns may reasonably request to effect the terms of this Assignment.

3. General Provisions. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. This Assignment, together with the Contribution Agreement, along with the Schedule to this Assignment, constitutes the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between the parties with respect hereto. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by the parties hereto. This Assignment is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

4. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws that would require the application of the laws of any other jurisdiction.

5. Interpretation. To the extent there is any conflict between this Assignment and the Contribution Agreement, the relevant provision(s) in the Contribution Agreement shall control.

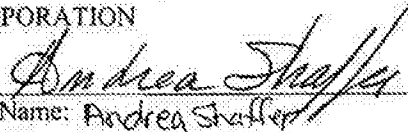

6. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
