TRADEMARK SECURITY AGREEMENT dated as of July 2, 2018 (this "Agreement"), among MORSCO Supply, LLC, Fortiline, LLC and JPMorgan Chase Bank, N.A. ("JPMCB"), as US Collateral Agent.

Reference is made to the Syndicated Facility Agreement dated as of July 2, 2018 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Reece Limited (ACN 004 313 133), a public limited company organized under the laws of Australia ("Parent"), the US Borrower, the Australian Borrower, the Lenders and the Issuing Banks from time to time party thereto, JPMCB, as Term Facility Administrative Agent and US Collateral Agent, National Australia Bank Limited, as Revolving Facility Administrative Agent and Australian Collateral Agent. The Lenders and Issuing Banks have agreed to extend credit to the Borrowers on the terms and subject to the conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Banks to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The US Loan Parties are Affiliates of the Borrowers and will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and are willing to execute and deliver this Agreement, together with the Borrowers in order to induce the Lenders and the Issuing Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the US Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Trademark Collateral"):

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I;

- (b) all goodwill associated therewith or symbolized thereby; and
- (c) all other assets, rights and interests that uniquely reflect or embody such goodwill.

SECTION 3. Collateral Agreement. The security interests granted to the US Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the US Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the US Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
