INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made this 7th day of November, 2019 between RESERVATION RECOVERY, LLC, a Nevada limited liability company, having a place of business at 1150 Lake Hearn Drive, Suite 640, Atlanta, Georgia 30342 ("Grantor") and CADENCE BANK, N.A., a national banking association, having a place of business at 2800 Post Oak Boulevard, 38th Floor, Houston, Texas 77056 ("Lender").

WHEREAS, Grantor owns the Trademarks and Trademark Applications (herein so called) listed on Schedule A attached hereto, as the same may be amended from time to time;

WHEREAS, ALS RESOLVION, LLC, a Delaware limited liability company, and Lender have entered into that certain Amended and Restated Loan Agreement dated as of November 7, 2019 (as the same may hereafter be amended, restated, modified or supplemented from time to time, the "Loan Agreement");

WHEREAS, pursuant to the terms of the Security Agreement dated as of November 7, 2019 between Grantor and Lender (the "Security Agreement"), Grantor has granted to Lender a security interest in all its personal property and assets, including, without limitation, the assets listed on Schedule A attached hereto, as collateral to secure the Obligations (as defined in the Security Agreement);

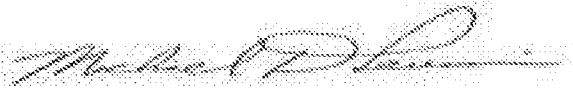

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereby agree as follows:

1. Grantor does hereby grant to Lender a security interest in the following property, wherever arising or located (the "IP Collateral"): all of Grantor's right, title and interest in and to the Trademarks and Trademark Applications now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title, interest or license to, including all proceeds and products of any and all of the foregoing. Notwithstanding anything contained in this Agreement or any other Loan Document (as defined in the Loan Agreement) to the contrary, "IP Collateral" shall not include any "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the registrability of such "intent to use" trademark applications and the validity or enforceability of such "intent to use" trademark registrations issuing from such application under applicable federal law.
2. Grantor does hereby further acknowledge and affirm that the rights and remedies of Lender with respect to its security interests in the IP Collateral made and granted herein are more fully set forth in the Loan Agreement and the Security Agreement, the terms and provisions of which are incorporated by reference herein, and include, without limitation, all rights and remedies of a secured party under the Uniform Commercial Code as adopted by the State of Texas as in effect from time to time.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be duly executed and delivered as of the date first above written.

RESERVATION RECOVERY, LLC
