THIS TRADEMARK ASSIGNMENT (this "Assignment") is executed and delivered as of this 14th day of November, 2019 ("Effective Date") by Energysense, Inc., a Delaware corporation ("Assignor"), to and in favor of Builder Services Group, Inc. a Florida corporation, 475 North Williamson Boulevard, Daytona Beach, Florida 32114 ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of the Assignor's rights, title and interest in and to the trademark listed on Schedule A attached hereto, all common law rights with respect to said mark and the goodwill of the business associated therewith (collectively, the "Mark").

NOW, THEREFORE, for Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to the Mark, for the United States and any other registrations and registration applications therefor, any renewals and extensions of the registration, all common law rights, the benefit of Assignor's prior use of the Mark, the associated goodwill, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, at least as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Mark, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner for Trademarks to record Assignee as the Assignee and owner of the Mark.

Assignor shall take all further reasonable actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such reasonable cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation), requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, provided that none of the foregoing shall be at any cost to the Assignor, unless such reasonable actions are necessary due to some action or omission to act on the part of Assignor.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Florida without giving effect to any choice or conflicts of laws provision or rule (whether of the State of Florida or any other jurisdiction) that would cause the application of the laws of any other jurisdiction.
