Buyer and Seller may be referred to individually as a “Party” and collectively as the “Parties.”

RECITALS

A. Hi-Health Supermart Corporation (“Hi-Health”) sells vitamins and other products over the Internet and in retail stores. Hi-Health is insolvent.

(4) contravene, conflict with, or result in a violation or breach of any provision of, or give any Person the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate, or modify, any Contract;

(5) result in the imposition or creation of any lien or encumbrance (other than Permitted Liens) upon or with respect to any of the assets owned or used by Seller; or

(a) No Legal Prohibition. No law will exist or be enacted or promulgated by any Governmental Authority which would prohibit the consummation by such party of the Contemplated Transactions.

(b) No Injunction. Such party will not be prohibited, by any order, ruling, consent, decree, judgment or injunction of any court, judicial authority or Governmental Authority from consummating the Contemplated Transactions.

4.2 Conditions Precedent to Obligations of Buyer. The obligations of Buyer under this Agreement to consummate the Contemplated Transactions will be subject to the satisfaction, as of the Closing, of Buyer receiving, or waiving delivery of, the items to be delivered under Section 5.3.

ARTICLE VI
Post-Closing Agreements

6.1 Post-Closing Agreements. From and after the Closing, the parties will have the respective rights and obligations which are set forth in the remainder of this Article VI.

6.2 Confidentiality. Each party will keep confidential and not disclose to any other Person or use for their own benefit or the benefit of any other Person any and all Confidential Information. The obligation of each party under this Section 6.2 will not apply to information which: (a) is or becomes generally available to the public without breach of the commitment provided for in this Section 6.2; or (b) is required to be disclosed by law, order or regulation of a court or tribunal or government authority; provided, however, that in any such case, each party will notify the other party as early as reasonably

practicable prior to disclosure, to allow such other party to take appropriate measures to preserve the confidentiality of such information.

6.3 Further Assurances. The parties will execute such further documents, and perform such further acts, as may be necessary to transfer and convey the Purchased Assets to Buyer, and effectuate the assumption of the Assumed Liabilities by Buyer, on the terms contained in this Agreement, and to otherwise comply with the terms of this Agreement and consummate the Contemplated Transactions.

Seller will ensure that Buyer has free and unencumbered legal and physical access to all such locations for this 30-day period. Seller represents and warrants that, to the extent any third-party consents are required in order for Buyer to have such legal free and unencumbered access, all such third-party consents have been obtained prior to the Closing Date. To the extent that keys and alarm codes are needed to access such locations, all such keys and alarm codes will be provided to Buyer on or before the Closing Date; delivery of the same is a condition-precedent to Buyer's obligation under this Agreement.

ARTICLE VII Indemnification

7.1 Survival. All representations, warranties, covenants and obligations in this Agreement, the Disclosure Schedules or any other certificate or document delivered pursuant to and specifically identified in this Agreement will survive the Closing and the consummation of the Contemplated Transactions, subject to this Section 7.1. All representations and warranties in this Agreement will survive the Closing until December 31, 2017; provided, however that the Fundamental Representations will survive until the date that is thirty (30) business days after the applicable statute of limitations period, and the time limitation provisions of this Section 7.1 will not apply to any claim for fraud.

7.2 Indemnification and Payment of Losses by Seller. Seller agrees to defend, indemnify, and hold harmless Buyer, its managers, members, officers, agents, employees, and their affiliates (each a "**Buyer Indemnified Person**"), against and in respect of any and all Losses incurred or resulting from:

- (a) any breach of any representation or warranty on the part of Seller under or in connection with this Agreement or any other agreement delivered pursuant to this Agreement;
- (b) any nonfulfillment of any covenant or agreement on the part of Seller under or in connection with this Agreement or any other agreement delivered pursuant to this Agreement;
- (c) any claim for brokerage or finder's fees or commissions with respect to the Contemplated Transactions by anyone claiming to have acted on behalf of Seller; and
- (d) the Excluded Liabilities and the Excluded Assets.

7.3 Indemnification and Payment of Losses by Buyer. Buyer agrees to defend, indemnify, and hold harmless Seller, its officers, directors, agents, employees, shareholders and affiliates, against and in respect of any and all Losses incurred or resulting from:

- (a) any breach of any representation or warranty on the part of Buyer under or in connection with this Agreement or any other agreement delivered pursuant to this Agreement;
- (b) any nonfulfillment of any covenant or agreement on the part of Buyer under or in connection with this Agreement or any other agreement delivered pursuant to this Agreement;
- (c) any claim for brokerage or finder's fees or commissions with respect to the Contemplated Transactions by anyone claiming to have acted on behalf of Buyer; and
- (d) any Assumed Liabilities.

7.4 Third Party Claims.

(a) Promptly after receipt by an indemnified party under Sections 7.2 or 7.3 of notice of the commencement by any third party of any Proceeding against it, such indemnified party will, if a claim is to be made against an indemnifying party under such Section, give notice to the indemnifying party of the commencement of such claim (a "**Claim Notice**"), but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to any indemnified party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the indemnified party's failure to give such notice.

(b) If any Proceeding referred to in Section 7.5(a) is brought against an indemnified party and it gives notice to the indemnifying party of the commencement of such Proceeding, the indemnifying party will be entitled to participate in such Proceeding and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Proceeding and in the reasonable opinion of counsel to the indemnified party there exists a conflict of interest between the indemnifying party and the indemnified party that cannot be waived, or (ii) the indemnifying party fails to provide reasonable assurance to the indemnified party of its financial capacity to defend such Proceeding and provide indemnification with respect to such Proceeding), to assume the defense of such Proceeding with counsel reasonably satisfactory to the indemnified party and, after notice from the indemnifying party to the indemnified party of its election to assume the defense of such Proceeding, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the indemnified party under this Article VII for any fees of other counsel or any other expenses with respect to the defense of such Proceeding, in each case subsequently incurred by the indemnified party in connection with the defense of such Proceeding.

(c) If the indemnifying party assumes the defense of a Proceeding, (i) it will be conclusively established for purposes of this Agreement that the claims made in that Proceeding are within the scope of and subject to indemnification; and (ii) no compromise or settlement of such claims may be effected by the indemnifying party without the indemnified party's consent unless (A) there is no finding or admission of any violation of law, rule, regulation or administrative order of any Governmental Authority or any violation of the rights of any Person and no effect on any other claims that may be made against the indemnified party, and (B) the sole relief provided is monetary damages that are paid in full by the indemnifying party. If the indemnifying party makes any payment on any claim pursuant to Article VII, the indemnifying party will be subrogated, to the extent of such payment, to all rights and remedies of the indemnified party to any insurance benefits of the indemnified party with respect to such claim.

(d) If notice is given to an indemnifying party of the commencement of any Proceeding and the indemnifying party does not, within ten (10) business days after the indemnified party's notice is given, give notice to the indemnified party of its election to assume the defense of such Proceeding, the indemnified party will control the defense of the Proceeding and will be entitled to compromise or settle such claim.

(e) Notwithstanding the foregoing, if an indemnified party determines in good faith that there is a reasonable probability that a Proceeding may adversely affect it or its affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the indemnified party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise, or settle such Proceeding, but the indemnifying party will not be bound by any determination of a Proceeding so defended or any compromise or settlement effected without its consent (which consent will not be unreasonably withheld or delayed).

7.5 Other Indemnification Matters. For purposes of determining the amount of Losses resulting from any misrepresentation or breach of a representation or warranty (but not for purposes of determining whether there has been a breach), the amount of any Loss will be determined without regard to any materiality or Material Adverse Effect qualifiers in Article III, it being the understanding of the parties that for purposes of determining the amount of Losses under this Article VII, the representations and warranties of the parties contained in this Agreement will be read as if such terms and phrases were not included in them.
