TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this “Agreement”), dated as of December 16, 2019, is entered into by each of the undersigned (each, a “Chargor”) in favor of Bank of America, N.A. as Collateral Agent (together with its successors, in such capacity, the “Collateral Agent”) for the benefit of the Secured Parties (as defined in the Debenture described below).

WHEREAS, each Chargor has executed and delivered that certain Debenture, dated as of October 31, 2019, in favor of the Collateral Agent (as the same may be amended, restated, amended and restated or otherwise modified, the “Debenture”), pursuant to which such Chargor has granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Chargor’s right, title, and interest in and to the Trademark Collateral (as defined below).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Chargor and the Collateral Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms not otherwise defined herein have the meanings set forth in the Debenture or the Credit Agreement referred to therein.

SECTION 2. Grant of Security Interest. Each Chargor hereby collaterally grants and pledges to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by such Chargor or in which such Chargor now has or at any time in the future may acquire any right, title, or interest and wherever the same may be located (collectively, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of such Chargor’s Obligations (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of such Obligations):

all rights in U.S. trademark and service marks, including all U.S. applications and rights for any of the foregoing, in each case which are owned by such Chargor and which are necessary or material for the operation of the business of the Chargors, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, any of the foregoing referred to on Schedule A, and all rights corresponding thereto throughout the world;

provided, however, that the foregoing shall not include any “intent-to-use” trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the ratable benefit of the Secured Parties pursuant to the Debenture, and each Chargor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Debenture, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any

provision of this Agreement is deemed to conflict with the Debenture, the provisions of the Debenture shall control.

SECTION 4. Recordation. Each Chargor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Agreement.

SECTION 5. Governing Law. This agreement and the rights and obligations of the parties hereunder and any claim or controversy relating hereto shall be governed by, and construed and interpreted in accordance with, the laws of England, without regard to its conflicts of laws principles.

SECTION 6. Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or .pdf), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

[Signatures follow]

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
