## **CONFIRMATORY INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

This CONFIRMATORY INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Agreement") is made and entered into, effective as of January 1, 2019 (the "Effective Date"), by and between Aesynt B.V., a private company with limited liability organized and existing under the laws of The Netherlands and having a place of business at Hoogoorddreef 15, 1101 BA Amsterdam, The Netherlands ("Assignor"), and Omnicell, Inc., a corporation organized and existing under the laws of the State of Delaware, U.S.A., having a place of business at 590 E. Middlefield Road, Mountain View, California 94043, U.S.A. ("Assignee").

WHEREAS, Assignor was, prior to the Effective Date, the owner of the Patents (as defined below) and the Trademarks (as defined below);

WHEREAS, Assignee was desirous of acquiring the Patents and the Trademarks;

WHEREAS, Assignor and Assignee entered into an Intellectual Property Assignment Agreement, effective as of the Effective Date, (the "Intellectual Property Assignment Agreement") whereby Assignor sold, transferred, conveyed, assigned and agreed to deliver to Assignee and Assignee's successors and assigns, in perpetuity, all right, title and interest in and to the Patents and the Trademarks; and

WHEREAS, the Intellectual Property Assignment Agreement provided that Assignor and Assignee agreed to execute and deliver all additional instruments of sale, transfer, conveyance and assignment, as and to the extent necessary or convenient, to evidence the sale, transfer, conveyance and assignment by Assignor to Assignee of all of Assignor's right, title and interest in and to the Patents and the Trademarks.

NOW, THEREFORE, Assignor and Assignee enter into this Agreement to confirm that, pursuant to the Intellectual Property Assignment Agreement and for good and valuable consideration, including U.S. ten dollars (\$10.00) each per the patent(s) and application(s) identified in Schedule A and for other good and valuable consideration for the Trademarks, the receipt and sufficiency of which were acknowledged therein, Assignor sold, transferred, conveyed, assigned and agreed to deliver to Assignee and Assignee's successors and assigns all right, title and interest in and to:

the Letters Patent and applications for Letters Patent identified in Schedule A, and the invention(s) disclosed and claimed therein, and any Letters Patent which may hereafter be granted on the same in the United States and all countries throughout the world, including any reissues, divisionals, renewals, continuations, continuations in part, substitutions, conversions, reexaminations, prolongations, provisionals or extensions of any of the foregoing, and any and all worldwide rights in and to any of the foregoing (together, the "Patents"); and

the trademark registrations and application for registration identified in the attached Schedule B, and the trademarks, service marks, tradenames, logos, insignias, designs and

other proprietary interests therein, whether registered or unregistered, together with the whole of the goodwill of the business associated therewith (together, the "Trademarks"),

as well as rights to any and all existing causes of action and the right to past damages associated therewith, and all rights under the Paris Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and on its own behalf and for the use and on behalf of its successors, legal representatives and assigns forever, at common law and/or to the full end of the term or terms for which Letters Patent or registrations of the Trademarks may be granted or renewed as fully and entirely as the same would have been held and enjoyed by Assignor had the sale, transfer and assignment not been made.

Assignee hereby grants a limited power of attorney for the purpose of recording this Agreement in the United States and all other countries throughout the world to the practitioners listed on the power of attorney attached hereto and further grants the power to insert on this Agreement any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any other patent office worldwide for recordation of this document.

IN WITNESS WHEREOF, Assignor, by its duly authorized officer, has executed this Agreement as of this 25TH day of JULY, 2019.
