W I T N E S S E T H

WHEREAS, pursuant to the Loan Agreement dated November 21, 2019 between the Grantor and the Lender (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Loan Agreement**”) the Grantor entered into the Loan Documents (as defined in the Loan Agreement), pursuant to which the Administrative Agent has agreed to make a loan to the Grantor, secured by the liens and security interests of certain security agreements;

WHEREAS, in connection with the Loan Documents, the Grantor and the Administrative Agent entered into the Intellectual Property Security Agreement dated November 21, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in order to induce the Administrative Agent to make the loan specified in the Loan Documents.

WHEREAS, under the terms of the Security Agreement, the Grantor has pledged and granted to the Administrative Agent a security interest in, among other property, certain Intellectual Property of the Grantor, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office;

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

SECTION 1. Grant of Security. Grantor hereby pledges, and grants to Lender, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Debt, a first priority security interest and

right to foreclosure in all of Grantor's right, title and interest to and under, in each case, whether now owned or existing, or hereafter acquired or arising in the following (collectively, the "**Pledged Collateral**"):

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of the Administrative Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein, and that such grant of security interest herein is in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized officers as of the date set forth above.
