TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of December 13, 2019 (as amended, restated, supplemented and/or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by the entities identified as grantors on the signature pages hereto (individually, a “**Grantor**” and collectively, the “**Grantors**”) in favor of Jefferies Finance LLC, as Agent for the Secured Parties (in such capacity and together with its successors and permitted assigns, the “**Agent**”).

WHEREAS, the Grantors are party to a Guarantee and Collateral Agreement, dated as of December 13, 2019 (as amended, restated, supplemented and/or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”) between each of the Grantors, the other grantors party thereto and the Agent, pursuant to which the Grantors granted a security interest to the Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Guarantee and Collateral Agreement and used herein have the meaning given to them in the Guarantee and Collateral Agreement.

SECTION 2. GRANT OF SECURITY INTEREST

Each Grantor, as security for the payment and performance in full of the Secured Obligations of such Grantor (including, if such Grantor is a Guarantor, the Secured Obligations of such Grantor arising under the Guaranty), hereby pledges to the Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(i) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (“**USPTO**”), including the registrations and registrations applications listed in Schedule A hereto, or any similar offices in any State of the United States or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor; and all goodwill connected with the use thereof and symbolized thereby,

(ii) all additions and improvements to the foregoing, renewals and extensions thereof, rights to sue or otherwise recover for infringements or other violations thereof,

(iii) all rights corresponding to the foregoing throughout the world, and

(iv) to the extent not otherwise included, all Proceeds, products, accessions, rents and profits of any and all of the foregoing;

provided that, notwithstanding anything to the contrary in this Trademark Security Agreement, this Trademark Security Agreement shall not constitute a grant of a security interest in (nor shall any pledge, grant or Security Interest attach to) any Excluded Assets, and (ii) the Trademark Collateral (and any defined term therein) shall not include any Excluded Assets; *provided, further*, that this Trademark Security Agreement shall constitute a grant of a security interest in any Proceeds, substitutions or replacements of any Excluded Assets, and any Proceeds, substitutions or replacements of any Excluded Assets shall be included in the Trademark Collateral (and any defined term used therein), unless such Proceeds, substitutions or replacements would independently constitute Excluded Assets.

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. RECORDATION

Each Grantor hereby authorizes and requests that the USPTO record this Trademark Security Agreement.

SECTION 5. TERMINATION

This Trademark Security Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the termination of the Commitments, the payment in full of all Secured Obligations (other than in respect of Secured Bank Product Obligations and contingent indemnification obligations not yet due and owing) and the expiration or termination of all Letters of Credit (or any L/C Exposure has been cash collateralized, backstopped or deemed reissued under another agreement, in each case, in a manner reasonably satisfactory to the applicable Issuing Bank).

SECTION 6. GOVERNING LAW

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. COUNTERPARTS

This Trademark Security Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
