**Recordable Confirmatory Trademark Assignment**

This Recordable Confirmatory Trademark Assignment ("Trademark Assignment"), effective as of December 20, 2019, is made by and between Hunt Companies, Inc., a Delaware corporation ("Assignor"), and Hunt Real Estate Capital, LLC, a Delaware limited liability company ("Assignee") (collectively referred to as the "Parties").

WHEREAS, pursuant to the Intellectual Property Assignment Agreement between the Parties dated as of December 20, 2019 (the "Agreement"), Assignor has sold, assigned, transferred, conveyed and delivered to Assignee all right, title and interest in, to and under the trademark registrations, trademark applications, trade names, trade dress, service marks, logos, company names, designs or other similar identifiers of source or origin, in each case to the extent registered or subject to an application for registration identified in Schedule A attached hereto (the "Trademarks"), along with the goodwill associated therewith or symbolized thereby; and

WHEREAS, Assignee has acquired all of Assignor's right, title and interest in and to the Trademarks, and the Parties wish to record such acquisition in the United States Patent and Trademark Office (the "USPTO").

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Parties hereby agree as follows:

Capitalized terms used herein and not defined herein have the meanings set forth in the Agreement.

Pursuant to the Agreement, Assignor, on behalf of itself and its controlled Affiliates, hereby irrevocably sells, assigns, transfers, conveys and delivers to Assignee, free and clear of all Liens, all of Assignor's and its controlled Affiliates' worldwide right, title and interest in, to and under (i) the Trademarks, (ii) all goodwill associated with the use of or symbolized by the Trademarks, (iii) all rights of enforcement and the rights, interests, claims and demands recoverable in law or equity that Assignor or any of its controlled Affiliates has or may have in profits and damages for past, present and future infringements, unfair competition, passing off, misappropriation or other conflicts or violations relating to the Trademarks, including the right to compromise, sue for, counterclaim and otherwise bring actions and collect such profits and damages, (iv) Assignor's and its controlled Affiliates' rights to file applications to register the Trademarks and to obtain, maintain, renew and own registrations therefor and (v) all other rights of Assignor or any of its controlled Affiliates, including common law rights, in the Trademarks, to the extent such rights exist now or may exist in the future, each to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its controlled Affiliates, successors, assigns and legal representatives as said rights would have been held and enjoyed by Assignor and its controlled Affiliates had this assignment and sale not been made.

Notwithstanding anything to the contrary contained herein, the Trademarks shall not include any application for registration of a Trademark that would be invalidated, canceled, voided or abandoned due to the contribution, assignment and/or conveyance of the Trademarks hereunder, including intent-to-use applications filed with the USPTO pursuant to 15 USC Section 1051(b) prior to the filing of a statement of use or amendment to allege use pursuant to 15 USC Section 1051(c) or (d), unless and until such time that the contribution, assignment and/or conveyance of the Trademarks hereunder will not cause such Trademark to be invalidated, cancelled, voided or abandoned.

Assignor hereby authorizes the Commissioner for Trademarks in the USPTO, other empowered officials of the USPTO and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment and Assignor further agrees to execute and deliver, or cause to be executed and delivered, all documents, certificates, agreements and other writings and take such other actions as may be reasonably necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Trademark Assignment.

This Trademark Assignment is subject to all the terms and conditions of the Agreement. The Parties intend that this Trademark Assignment is for recordation purposes only and its terms shall not modify and shall be subject to the applicable terms and conditions of the Agreement, which govern the Parties' rights and interests in the Assigned IP.

This Trademark Assignment, and all matters, claims or causes of action (whether in contract or tort) based upon, arising out of or relating to this Trademark Assignment or the negotiation, execution or performance of this Trademark Assignment, shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice or conflict of laws provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

This Trademark Assignment may be executed by the Parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute a single agreement.
