TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Agreement"), effective as of December 6, 2019 (the "Effective Date"), is between PPC Broadband, Inc. a Delaware corporation ("Buyer"), and Special Product Company, a Delaware corporation ("Seller"). All capitalized terms used in this Agreement but not otherwise defined herein are given the meanings set forth in the Purchase Agreement (as defined herein).

WHEREAS, on the date hereof, Buyer and Seller entered into an Asset Purchase Agreement (the "Purchase Agreement") pursuant to which, among other things, Seller agreed to assign all of its right, title and interest in, and Buyer agreed to assume all of Seller's duties and obligations arising on or after the Effective Date under, the trademarks and service marks listed on Schedule A to this Agreement (the "Marks").

NOW, THEREFORE, in consideration of the mutual promises contained in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Seller and Buyer, and subject to the terms and conditions of the Purchase Agreement:

1. Assignment and Assumption. Seller hereby sells, assigns, transfers, conveys and delivers to Buyer all of Seller's right, title and interest in and to the Marks, together with the applications and/or registrations thereof and the goodwill of the business symbolized by the Marks, including all common law rights, and all claims for damages by reason of past infringement of the Marks, with the right to sue and collect therefor. Buyer accepts this assignment and assumes all of Seller's duties and obligations under the Marks and agrees to pay, perform and discharge, as and when due, all of the obligations of Seller under the Marks accruing on or after the Effective Date.

2. Recordation and Further Actions. Seller hereby authorizes the patent and trademark office or corresponding entities or agencies in any applicable jurisdictions to record and register this Agreement upon request by Buyer.

3. Terms of the Purchase Agreement. The terms of the Purchase Agreement, including the representations, warranties, covenants, agreements and indemnities relating to the Marks are incorporated herein by this reference. The parties acknowledge that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement will not be superseded hereby but will remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement will govern.
