Ms. Lawanda Milton
USPTO Assignment Recordation Branch
Public Records Division

Dear Ms. Milton:

In response to the Notice of Non-Recordation, Registrant would like to make the following statement to clarify the requested correction:

Registrant is not able to attach the previously recorded cover sheet which contains the error because there is no cover sheet for the original assignment recorded with the USPTO on February 1, 1988. It is Registrant's understanding that the USPTO did not require cover sheets at the time the original assignment was filed, thus no such cover sheet exists. Registrant ordered a certified copy of the original assignment from the USPTO as shown in Reel/Frame 0650/0249, and attached a copy of the document herein.

As you can see from the attached documents, the nature of conveyance for the original assignment should have been a Merger and Change of Name, wherein Avenir Industrial Corporation II, a corporation of Michigan, merged with The Ransohoff Company, a corporation of Ohio, and in the same transaction subsequently changed its name to The Ransohoff Company, a corporation of Michigan. Thus, the Assignor in the original assignment should have been Avenir Industrial Corporation II, who was the current owner of the mark at the time the assignment was filed, and the Assignee should have been The Ransohoff Company, a corporation of Michigan, who was the surviving entity in the merger and change of name.

A certified copy of the original assignment from the USPTO, a certificate of merger from the Michigan Secretary of State, and a screenshot of the reel/frame number of the original assignment are attached to this resubmission for your reference.

Please let us know if you require anything further in order to proceed with our request.

Very truly yours,

April L. Besl
