TRADEMARK SECURITY AGREEMENT

(TRADEMARKS AND TRADEMARK APPLICATIONS)

WHEREAS, TRIMECH SOLUTIONS, LLC, a Delaware limited liability company (herein referred to as "Grantor"), owns the Trademarks listed on Schedule 1 annexed hereto;

WHEREAS, reference is made to that certain Credit Agreement dated as of January 6, 2020 among TriMech Group Holdings, LLC, a Delaware limited liability company ("Holdings"), TriMech Acquisition Corp., a Delaware corporation ("Borrower"), the Lenders from time to time party thereto and Grantee (as defined below) (as amended, amended and restated, supplemented and/or modified from time to time, the "Credit Agreement") in connection with the acquisition of all of the equity interests of TriMech Holdings, LLC and TriMech Services, LLC by the Borrower; and

WHEREAS, pursuant to the terms of the Guaranty and Security Agreement dated as of January 6, 2020 (as amended, amended and restated, supplemented and/or modified from time to time, the "Security Agreement"; unless otherwise defined herein, terms defined in the Security Agreement and used herein have the respective meanings given to them in the Security Agreement) by and among the Borrower, the other grantors party thereto and BMO Harris Bank N.A., as administrative agent for the secured parties referred to therein (in such capacity, together with its successors in such capacity pursuant to the terms of such Security Agreement, "Grantee"), Grantor has granted to Grantee for the ratable benefit of such secured parties a continuing security interest in or other Lien (as defined in the Credit Agreement) on substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under the Trademark Collateral (as defined below), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee, to secure the Secured Obligations, a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created, arising or acquired:

(i) each Trademark owned by Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each such Trademark;

(ii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect to each Trademark (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present, or future infringements thereof);

(iii) the right to sue or otherwise recover for any and all past, present, and future infringements and other violations of each Trademark, including the goodwill associated therewith, and all other rights or benefits of any kind whatsoever accruing thereunder or pertaining thereto; and

(iv) any and all products and proceeds of the foregoing.

Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any applications filed in the United States Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such trademarks or service marks unless and until the filing of a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted, whereupon such applications shall be automatically subject to the security interest granted herein; provided, further, that the definition of Trademark Collateral shall not include any Excluded Property.

The foregoing security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

This Trademark Security Agreement is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles.

[signature page follows]

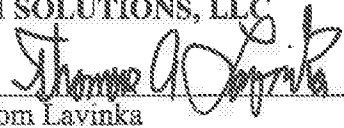

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the 6th day of January, 2020.
