## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") is dated as of December 18, 2019, by and between LES AGENCES WANT INC. / WANT AGENCY INC., a Canadian corporation (the "Debtor"), and THE TORONTO-DOMINION BANK (together with its successors and assigns, the "Secured Party").

WHEREAS, the Secured Party is making certain credit and other financial accommodations to the Debtor; and

WHEREAS, the Secured Party has required the Debtor to grant a security interest in assets of the Debtor, including but not limited to intellectual property rights described below;

The Debtor and the Secured Party therefore agree as follows:

I. Grant of Security Interest. To secure the complete and timely payment and satisfaction of all of the Obligations (as such term is defined below), the Debtor hereby grants to the Secured Party a security interest in, and a mortgage upon, all of the Debtor's right, title, and interest in, to, and under the following property, wherever located, in each case whether now or hereafter existing or arising or in which the Debtor now has or hereafter owns, acquires, or develops an interest (collectively, the "Collateral"):

(a) all United States state (including common law) and federal trademarks, service marks and trade names, and applications for registration of such trademarks, service marks, and trade names (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark, or other mark to the extent that the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark, or other mark), all licenses relating to any of the foregoing, and all income and royalties with respect to any licenses (including but not limited to such marks, names, and applications as described in Schedule A hereto), whether registered or unregistered and wherever registered, all rights to sue for past, present, or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions, and renewals thereof (all of the foregoing are collectively called the "Marks");

(b) the entire goodwill of or associated with the businesses now or hereafter conducted by the Debtor connected with and symbolized by any of the Marks;

(c) all general intangibles and all intangible intellectual or other similar property of the Debtor of any kind or nature, associated with or arising out of any of the Marks and not otherwise described above; and

(d) all proceeds of any and all of the foregoing Collateral (including but not limited to license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under

insurance (whether or not the Secured Party is the loss payee thereof) or any indemnity, warranty, or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral.

2. The Obligations. The term “**Obligations**” means all obligations of the Debtor now or hereafter existing with respect to any credit or loan agreement, guaranty, lease, letter of credit, overdraft, or any other financial accommodation existing between the Debtor and the Secured Party, and all obligations of the Debtor now or hereafter existing under this Agreement, whether for principal, interest, expenses, indemnity, or otherwise.

3. No Assignment of Intent to Use Applications. No provision of this Agreement or any other agreement between Debtor and Secured Party shall constitute an assignment of any application for registration of any trademark, trade name or service mark prior to the filing of a verified statement of use with respect to such application under applicable law. Any provision that would have the effect of assigning one or more such applications shall be void as to such applications.

4. Warranties and Representations. The Debtor hereby covenants and warrants that: (a) the Debtor is the sole and exclusive owner of the entire right, title and interest in each of the Marks, free and clear of any liens, pledges, assignments or other encumbrances; (b) the Debtor has the unqualified right to enter into this Agreement and perform its terms; (c) the Marks are subsisting and have not been adjudged invalid or unenforceable; (d) Debtor has not received notice of any claim that the use of any of the Marks does or may violate the rights of any third person; and (e) the Debtor (or its predecessor) has used and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products and delivery of services sold or provided under the Marks. The Debtor shall, in any event, indemnify and hold the Secured Party and its directors, officers, shareholders, employees and agents (collectively, the “**Indemnified Parties**”) harmless from all losses, damages, costs and expenses, including reasonable legal costs and counsel fees, incurred by the Indemnified Parties as the result of any action, claim or demand, whether or not groundless, alleging that the Marks infringe any rights of any third parties.

5. Future Registrations. If, before the Obligations shall have been satisfied in full, the Debtor shall become entitled to the benefit of any additional trademark or service mark registration, the provisions of Section 1 hereof shall automatically apply thereto, and the Debtor shall give the Secured Party prompt written notice thereof. The Debtor authorizes the Secured Party to modify this Agreement by amending Schedule A to include any future trademarks, service marks or trade names that constitute Marks under Section 1 hereof. Notwithstanding the foregoing, no failure to so amend Schedule A shall in any way affect, invalidate, or detract from the Secured Party’s continuing security interest in all Collateral, whether or not listed on Schedule A.

6. Default. The term “**Default**,” as used herein, means the failure of the Debtor to pay or perform any of the Obligations as and when due to be paid or performed, provided that such failure is not cured within the applicable cure period, if any.
