## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into effective as of December 4, 2019, by and between Boss Manufacturing Company, a Delaware corporation, with an address at 1221 Page Street, Kewanee, Illinois 61443 ("Assignor"), and Protective Industrial Products, Inc., a New York corporation, with an address at 968 Albany Shaker Road, Latham, New York 12110 ("Assignee").

Assignor and Assignee are parties to the IP Assignment Agreement dated as of the same date hereof (the "IP Assignment Agreement"), whereby Assignor has agreed to assign the trademarks and trademark registrations set forth on Attachment A, and has agreed to execute and deliver this Assignment for recording with governmental authorities including, but not limited to, the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "Trademarks"), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks:

- a) trademarks and trademark applications and registrations, and all extensions and renewals thereof, set forth on Attachment A hereto;
- b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
- c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request Assignor shall take reasonable steps and actions, and provide reasonable cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or

[Annex C to IP Assignment Agreement]

other documents, as may be necessary to effect, evidence or perfect the assignment of the assigned Trademarks to Assignee, or any assignee or successor thereto.

3. Assignment. This Assignment will bind and inure to the benefit of Assignor and Assignees and their respective successors and permitted assigns.

4. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

[Signature Page Follows]

IN WITNESS WHEREOF, Assignor has executed this Trademark Assignment as of the date first written above.

Assignor:

BOSS MANUFACTURING COMPANY

  
Name: *James F. Sanders*  
Its: *Vice President*
