THIS TRADEMARK ASSIGNMENT (this “**Assignment**”) is made as of January 8, 2020 by and among Olaplex LLC, a Delaware limited liability company with an address at 1482 East Valley Road, Suite 701, Santa Barbara, CA 93108 (“**Olaplex**”), LIQWD, Inc., a California corporation with an address at 1482 East Valley Road, Suite 701, Santa Barbara, CA 93108 (“**LIQWD**”) and Dean V. Christal, an individual with a mailing address at 1482 East Valley Road, Suite 701, Santa Barbara, California 93108 (“**Christal**,” together with LIQWD and Olaplex, the “**Assignors**”), on the one hand, and Olaplex, Inc., a Delaware corporation with an address at c/o Advent International Corporation, 800 Boylston Street, Boston, MA 02199, Attention: Tricia Glynn and James Westra (the “**Assignee**”), on the other hand.

WHEREAS, an Assignor is the record owner of the trademarks set forth in the attached Schedule I (the “**Marks**”); and

WHEREAS, the Assignors and the Assignee have entered into an Intellectual Property Assignment Agreement dated as of January 8, 2020 (the “**Agreement**”) and pursuant to the Agreement, the Assignee wishes to acquire from the Assignors, and the Assignors wish to transfer to the Assignee, said Marks and the goodwill associated with such Marks.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignors and the Assignee agree as follows:

1. The Assignors hereby sell, assign, transfer, convey and deliver to the Assignee, its successors and assigns, their entire right, title and interest in, to and under the Marks, the goodwill of its business symbolized by the Marks, and all rights of action accrued and to accrue under and by virtue thereof, including the right to sue and recover for past, present and future infringement; provided that, with respect to the United States intent-to-use trademark applications set forth on Schedule I, the transfer of such applications accompanies the transfer of the business, or portion of the business to which the intent-to-use trademark application pertains, and that business is ongoing and existing. The Assignors agree to execute all documents and assignments and to perform such other acts as the Assignee may reasonably request to secure to it the rights hereby conveyed.
2. The Assignors shall duly execute and deliver or cause to be executed and delivered all instruments of sale, conveyance, transfer and assignment, and notices, releases, acquittances and other documents and perform such further acts reasonably requested by the Assignee, as may be necessary to sell, assign, transfer, convey and deliver to, and consolidate, vest and record in the Assignee, full ownership of the Marks and other rights conveyed herewith. In the event any Assignor incurs any reasonable, out-of-pocket costs, expenses or fees in connection with the performance of its obligations pursuant to this paragraph, the Assignee shall promptly reimburse such Assignor for any such amounts, excluding (i) any salaries, benefits or other compensation for officers, employees or consultants of such Assignor, and (ii) any attorneys’ fees.

3. The Assignors hereby request the U.S. Commissioner of Patents and Trademarks to record this Assignment, as to the assigned Marks referred to herein.
4. The Assignors hereby request and authorize Ropes & Gray LLP, of 800 Boylston Street, Boston, MA 02199, to insert hereon any further identification information necessary or desirable for recordation of this document, including without limitation the filing date and registration number or application number of assigned applications or registrations, if not yet known, when known.
5. This Assignment is being delivered in connection with and subject to the Agreement and to the extent of any conflict between this Assignment and the Agreement, the Agreement shall control.
6. Whenever possible, each provision of this Assignment will be interpreted in such a manner as to be effective and valid under applicable laws and regulations, but if any provision of this Assignment is held to be prohibited by or invalid under applicable laws and regulations, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Assignment. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Marks assigned to the Assignee hereunder.
7. This Assignment shall be construed and enforced in accordance with the internal laws (and not the law of conflicts of laws) of the United States of America and the State of Delaware. This Assignment may be executed and delivered (including by facsimile transmission or .pdf, .tif, .gif, .jpeg or similar attachment to electronic mail (any such delivery, an “**Electronic Delivery**”)) in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other party, it being understood that all parties need not sign the same counterpart. No party hereto shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each party forever waives any such defense, except to the extent such defense relates to lack of authenticity.
