INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this "Agreement") is entered into as of January 10, 2020, by and among SABRE ENERGY SERVICES, LLC, a New York limited liability company ("Sabre Energy"), BIOWALL, LLC, a Delaware limited liability company, SABRE INTELLECTUAL PROPERTY HOLDINGS LLC, a Delaware limited liability company, SABRE WEST TEXAS FACILITY LLC, a Delaware limited liability company ("Sabre Texas"), SABRE LEASING, LLC, a Delaware limited liability company (each, a "Grantor" and, collectively, the "Grantors"), and INNOVATUS FLAGSHIP FUND I, LP, a Delaware limited partnership, in its capacity as collateral agent for the "Holder" under the Note (as defined below) (the "Secured Party").

RECITALS

A. Certain lenders (the "Holders") have made a loan to Grantors (the "Loan") in the amounts and manner set forth in that certain Second Amended and Restated Secured Promissory Note dated as of the date hereof, made by Grantors payable to the order of the Holders thereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Note"; unless otherwise indicated herein, capitalized terms used herein are used as defined in the Note or in the Security Agreement referred to below).

B. The Holders are willing to make the Loan to the Grantors, but only upon the condition, among others, that the Grantors shall grant to the Secured Party a security interest in certain Copyrights, Trademarks, Patents, and Mask Works (as each term is described below) to secure the Obligations.

C. Pursuant to the terms of that certain Second Amended and Restated Security Agreement, dated as of the date hereof (the "Security Agreement"), Grantors have granted to the Secured Party, to secure the payment and performance in full of all of the Obligations, a continuing security interest in, and pledged to the Secured Party, the Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, each Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure the payment and performance in full of the Note, the other Loan Documents, and all of the Obligations, each Grantor grants to the Secured Party a continuing security interest in, and pledges to the Secured Party, all of such Grantor's right, title and interest in, to and under its intellectual property (all of which shall collectively be called the "Intellectual Property Collateral"), including, without limitation, the following:

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on Exhibit A attached hereto (collectively, the "Copyrights");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(c) Any and all design rights that may be available to such Grantor now or hereafter existing, created, acquired or held;

(d) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications set forth on Exhibit B attached hereto (collectively, the "Patents");

(e) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of such Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit C attached hereto (collectively, the "Trademarks");

(f) All mask works or similar rights available for the protection of semiconductor chips, now owned or hereafter acquired, including, without limitation those set forth on Exhibit D attached hereto (collectively, the "Mask Works");

(g) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) All licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

Each Grantor hereby authorizes the Secured Party to (a) modify this Agreement by amending the exhibits to this Agreement to include any Intellectual Property Collateral which such Grantor obtains subsequent to the date of this Agreement and (b) file a duplicate original

of this Agreement containing amended exhibits reflecting such new Intellectual Property Collateral.

This security interest is granted in conjunction with the security interest granted to the Secured Party under the Security Agreement. The rights and remedies of the Secured Party with respect to the security interest granted hereby are in addition to those set forth in the Note and the other Loan Documents, and those which are now or hereafter available to the Secured Party as a matter of law or equity. Each right, power and remedy of the Secured Party provided for herein or in the Note or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Secured Party of any one or more of the rights, powers or remedies provided for in this Agreement, the Note or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including the Secured Party, of any or all other rights, powers or remedies.

Notwithstanding anything to the contrary set forth in this Agreement, this Agreement shall not become effective unless and until the Note shall become effective in accordance with the terms and conditions set forth therein.

Within 24 hours after the entry of the Receivership Order, the Receiver shall execute a counterpart signature page and thereby become a party to this Agreement solely in his capacity as Receiver.
