TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is entered into as of August 31, 2015, by Mölnlycke Health Care AB, a joint stock company organized under the laws of Sweden ("Assignor"), in favor of Stellen Medical, LLC, a Minnesota limited liability company ("Assignee").

For \$10.00 and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, and intending to be legally bound, Assignor hereby sells, assigns, transfers, and conveys to Assignee all of Assignor's right, title and interest in and to the trademarks, trademark registrations, service marks, trade names and domain names set forth on Exhibit A hereto, together with any associated common law rights and goodwill, and the right to sue and recover damages for any future, present, and past infringements of any thereof (collectively, the "Assigned Marks").

Assignor does hereby irrevocably appoint Assignee, with full power of substitution, as Assignor's true and lawful attorney-in-fact, and hereby authorizes Assignee to (a) execute on behalf of Assignor all instruments, documents, and the like to transfer and record the transfer of the Assigned Marks to Assignee, and (b) do all acts and things necessary or expedient in furtherance of such purpose. Such power of attorney being coupled with an interest, it shall be irrevocable.

Nothing contained herein shall in any way supersede the provisions of any other agreement between the parties.

This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

IN WITNESS WHEREOF, the undersigned has caused this Assignment to be executed on a nunc pro tunc basis by its authorized representative.
