**Declaration Re: Interest Improperly Filed and Recorded by Another Person Against Owner's Application or Registration**

Pursuant to TMEP §503.06(c), Metals USA, Inc. ("Owner") hereby informs the Assignment Recordation Branch that the assignment recorded at Reel/Frame 5746/0672 was improperly filed and recorded against Owner's registration for METALS USA (Reg. No. 2269952) ("the Registration").

On March 7, 2016, assignment documents were recorded at Reel/Frame 5746/0672 purporting to assign the Registration from conveying party *Metals USA Building Products, L.P.* to receiving party *Latium USA Trading, Inc.* However, the conveying party, *Metals USA Building Products, L.P.*, was not the owner of the Registration when the purported assignment documents were filed with the Assignment Recordation Branch. As such, the assignment documents recorded at Reel/Frame 5746/0672 were improperly filed and recorded.

The true and correct owner of the Registration is Metals USA, Inc. and Owner respectfully requests that the Assignment Recordation Branch correct the assignment and ownership records to reflect the same.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
