AMENDMENT NO. 2 TO  
TRADEMARK SECURITY AGREEMENT

AMENDMENT NO. 2 TO TRADEMARK SECURITY AGREEMENT (this "Amendment"), made as of December 6, 2019, by and between SCOUT EXCHANGE LLC, a Delaware limited liability company, with its chief executive office at 501 Boylston Street, Third Floor, Boston, Massachusetts 02116 ("Grantor") and WELLS FARGO CAPITAL FINANCE, LLC, a Delaware limited liability company, in its capacity as agent for Secured Parties (as hereinafter defined) (in such capacity, "Agent").

W I T N E S S E T H:

WHEREAS, Grantor and Agent, acting on behalf of lenders and certain other parties (Agent and such lenders and other parties, collectively "Secured Parties") are parties to the Trademark Security Agreement, dated December 13, 2013 and recorded with the Trademark Division of the United States Patent and Trademark Office on January 13, 2014 at Reel/Frame 005191/0642, and Amendment No. 1 to Trademark Security Agreement, dated November 23, 2015 and recorded with the Trademark Division of the United States Patent and Trademark Office on November 24, 2015 at Reel/Frame 5675/0442 (as amended hereby and as the same may hereafter be further amended, modified, supplemented, extended, renewed, restated or replaced, the "Trademark Security Agreement");

WHEREAS, pursuant to the Trademark Security Agreement, Grantor has, among other things, granted to Agent a security interest in all present and future Trademarks and Trademark applications of Grantor, together with certain related assets, and has agreed to execute and deliver to Agent all agreements and documents as requested by Agent to evidence the security interests of Agent therein;

WHEREAS, Grantor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the additional trademarks, trade names, trade styles, terms, service marks, designs and applications therefor and internet domain names registered or filed with the United States Patent and Trademark Office described in Schedule I hereto and made a part hereof (collectively, the "Additional Trademarks"); and

WHEREAS, Grantor is obligated to grant a security interest in and pledge all such Additional Trademarks and Additional Trademark Collateral (as hereinafter defined) to Agent, as provided by the terms and conditions of the Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Agent hereby agree as follows:

1. Definitions. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Trademark Security Agreement or, if not defined therein, in the Security Agreement, and this Amendment shall be subject to the rules of construction set forth in the Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. Grant of Security Interest. In addition, and not in limitation, of the security interests and other interests granted to Agent (for itself and the benefit of Secured Parties) pursuant to the Trademark Security Agreement, as collateral security for the prompt performance, observance and indefeasible payment in full of all of the Secured Obligations, Grantor hereby grants to Agent (for itself and the benefit of Secured Parties) a continuing security interest in and a general lien upon, and a conditional assignment, and hereby confirms, reaffirms and restates the prior grant thereof to Agent (for itself and the benefit of Secured Parties) pursuant to the Trademark Security Agreement, of the following, whether presently existing or

hereafter arising or acquired (being collectively referred to herein as the “Additional Trademark Collateral”):

(a) all of the Additional Trademarks referred to on Schedule 1 to this Amendment and any Additional Trademark licensed under any Intellectual Property License referred to on Schedule 1 to this Amendment;

(b) all goodwill of the business connected with the use of, and symbolized by, each Additional Trademark and any Additional Trademark licensed under any Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Additional Trademark or any Additional Trademark licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Additional Trademark or any Additional Trademark licensed under any Intellectual Property License, or (iii) right to receive license fees, royalties, and other compensation in connection with any Additional Trademark or any Additional Trademark licensed under any Intellectual Property License.

3. Security for Secured Obligations. This Amendment and the security interest created hereby and in the Trademark Security Agreement secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by any Grantor to Agent or Secured Parties, whether or not they are unenforceable or not allowable due to the existence of a case under any Insolvency Proceeding involving any Grantor.

4. Confirmation of Grant of Security Interest. Without limiting the grant of the security interest to Agent set forth in Section 2 of the Trademark Security Agreement or any other provisions thereof, Grantor hereby confirms, reaffirms and restates its prior grant of Trademark Collateral to Agent, for itself and on behalf of the other Secured Parties, and hereby grants to Agent, for itself and on behalf of the other Secured Parties, a continuing security interest in and a general lien upon the Additional Trademark Collateral.

5. Supplement and Amendment to Trademark Security Agreement.

(a) Without limiting any of the Trademark Collateral otherwise described in the Trademark Security Agreement,

(i) Schedule I to the Trademark Security Agreement is hereby amended and supplemented to include, in addition and not by way of limitation, the Additional Trademarks,

(ii) all references to the term “Trademarks” in the Trademark Security Agreement or the Security Agreement are hereby amended to include, in addition and not in limitation, the Additional Trademarks, and

(iii) all reference to the term “Trademark Collateral” in the Trademark Security Agreement and the Security Agreement are hereby amended to include, in addition and not in limitation, the Additional Trademark Collateral.

(b) The security interests granted pursuant to this Amendment and the Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for itself and the benefit of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that

the rights and remedies of Agent with respect to the security interest in the Additional Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between the Trademark Security Agreement as amended by this Amendment and the Security Agreement, the Security Agreement shall control.

6. Representations, Warranties and Covenants. All of the representations, warranties and covenants with respect to the Trademark Collateral set forth in the Trademark Security Agreement shall apply to the Additional Trademark Collateral and other assets described in Section 2 of this Amendment.

7. Effect of this Amendment. Except as expressly amended pursuant hereto, no other changes or modifications to the Trademark Security Agreement or waivers of or consents under any provisions thereof are intended or implied, and in all other respects the Trademark Security Agreement is hereby specifically ratified, restated, and confirmed by all parties hereto as of the effective date hereof. This Amendment and the Trademark Security Agreement to be read and construed as one agreement.

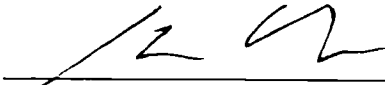

8. Counterparts. This Amendment may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same agreement. Delivery of an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.
