**TERMINATION AND RELEASE OF
SECURITY INTEREST IN TRADEMARKS**

This Termination and Release of Security Interest in Trademarks (“Trademark Release”) is made as of January 31, 2020, by DEUTSCHE BANK AG NEW YORK BRANCH, as Collateral Agent (as such term is used in the Trademark Security Agreement described below) (the “Grantee”), in favor of Cision US Inc. (the “Grantor”).

WITNESSETH:

WHEREAS the Grantor entered into a certain first lien trademark security agreement dated April 23, 2019 (the “Trademark Security Agreement”) with the Grantee, notice of which was recorded on April 24, 2019 at the United States Patent and Trademark Office at Reel 6627, Frame 0678.

WHEREAS, the Grantor granted the Grantee, its successors and assigns, for the benefit of the Secured Parties, under the terms of the Trademark Security Agreement, a security interest (the “Security Interest”) in and to all of the Grantor’s right, title and interest in, to and under the United States Trademarks listed in **Schedule A** hereto and all of the goodwill of the business connected with the use of, and symbolized by the Trademarks, as well as all proceeds and claims based on past, present, or future infringement (collectively, the “Trademark Collateral”).

WHEREAS, the Grantee has agreed to terminate and release its security interest in all such Trademarks as herein provided.

NOW, THEREFORE, in consideration of the foregoing and intending to be legally bound, the receipt and sufficiency of which are hereby acknowledged, effective as of the date hereof, the Grantee, for itself and on behalf of the lenders in association with the Security Interest, its successors and assigns, hereby irrevocably and forever (i) terminates the Trademark Security Agreement and (ii) releases, terminates and discharges any and all of its security interest in the intellectual property of the Grantor, including the Trademark Collateral, and all of the goodwill of the business connected with the use of, and symbolized by the Trademarks, and assigns, transfers and conveys to the Grantor any interest in such intellectual property, including the Security Interest and any other liens. The Grantee authorizes and requests that the United States Patent and Trademark Office and any applicable government officer, employee or agent note and record the release hereby given and any other filings necessary to evidence the release and termination of the Grantee’s rights under the Trademark Security Agreement, with respect to the Trademark Collateral. The Grantee further agrees to execute any other documents and take any further action reasonably necessary in any state, country or jurisdiction that the Grantor may reasonably require to effect the intent and purpose of this Trademark Release; provided, that (i) all such documents are to be prepared by counsel to the Grantor and the cost and expense of such documents and actions shall be borne solely by the Grantor and (ii) all such documents shall be reasonably satisfactory to the Grantee.

This Trademark Release shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

Capitalized terms used in this Trademark Release and not otherwise defined herein shall have the meanings specified in the First Lien Collateral Agreement dated as of June 16, 2016 (as amended, restated, supplemented or otherwise modified from time to time).

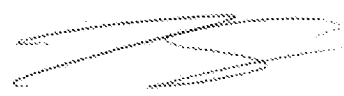

[Remainder of this page intentionally left blank; signature page follows]

IN WITNESS WHEREOF, the Grantee has caused this Trademark Release to be executed as of the day and year first written above.
