All capitalized terms used but not otherwise defined in this Assignment shall have the meanings given to them in the Purchase Agreement.

WHEREAS, Assignor is the owner of certain trademarks used in connection with its pet crematory business; and

WHEREAS, Assignor desires to convey, transfer, assign, and deliver all of its rights in and to the trademarks set forth on Exhibit A attached hereto (collectively, the “**Assigned Trademarks**”), pursuant to the Purchase Agreement and on the terms and subject to the conditions set forth in this Assignment and Assignee desires to accept the same.

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby does irrevocably sell, convey, transfer, and assign to Assignee, and its successors and assigns, and Assignee agrees to accept, effective as of the date first set forth above, all right, title, and interest in and to the Assigned Trademarks, together with all common law rights and associated goodwill of Assignor and of the business connected with the use of or symbolized thereby, and all claims for damages by reason of past infringement with the right to sue for and collect damages, the same to be held and enjoyed by Assignee, its respective successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made. Assignee shall have full and unrestricted right to make, use, license, assign, offer to sell, sell, encumber, secure, loan, and otherwise exploit the Assigned Trademarks to their fullest extent anywhere in the world, without the consent of and without accounting to Assignor and without sharing the revenue or profits generated by or through such use, license, assignment, sale, encumbrance, loan, or other exploitation of the Assigned Trademarks. Assignor hereby agrees that it shall not take any action that may restrict Assignee’s ownership rights in the Assigned Trademarks and that it shall discontinue any use or exploitation of the Assigned Trademarks. Assignor hereby authorizes the United States Patent and Trademark Office and any other governmental agencies having jurisdiction over the Assigned Trademarks to identify Assignee as the owner of all applications and registrations issuing from any applications pending related to the Assigned Trademarks. 6. Waiver. Any waiver of a Party's rights under this Assignment may only be made by a writing signed by the Party waiving such rights and the failure of any Party hereto to enforce at any time any provision of this Assignment shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Assignment or any part hereof or the right of any Party thereafter to enforce each and every such provision. No waiver of any breach of this Assignment shall be held to constitute a waiver of any other or subsequent breach.

7. Amendments. This Assignment may not be amended, modified, supplemented or changed, in whole or in part, unless in a separate writing making specific reference to this Assignment and executed by each of the parties hereto.

8. Severability. Whenever possible, each provision of this Assignment will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Assignment is held to be prohibited by or invalid under applicable law, such provision will be deemed severable and ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Assignment unless the consummation of the transaction contemplated hereby is adversely affected thereby.
