TRADEMARK ASSIGNMENT

This Trademark Assignment (this “**Trademark Assignment**”), dated January 31, 2020 is entered into by and between Plastics Color Corporation, a Delaware corporation (the “**Assignor**”) and Chroma Color Corporation (the “**Assignee**”). This Trademark Assignment is being executed pursuant to an Asset Purchase Agreement dated of even date herewith, by and among the Assignor, Plastics Color Corporation of Illinois, Plastics Color Corporation of North Carolina and PMC, Inc. (the “**Purchase Agreement**”). Capitalized terms used but not otherwise defined in this Trademark Assignment shall have the meanings assigned to them in the Purchase Agreement.

RECITALS

WHEREAS, the Assignor is the owner of all rights, title, and interests in the trademarks set forth in the attached Schedule A (the “**Marks**”);

WHEREAS, the Assignee wishes to acquire from the Assignor, and the Assignor wishes to transfer to the Assignee, all of the Assignor’s rights, title, and interests in and to the Marks;

NOW, for good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, the parties, intending to be legally bound, hereto agree as follows:

1. The Assignor hereby assigns, transfers, and conveys to the Assignee, and the Assignee hereby accepts, the Assignor’s entire and undivided right, title and interest, whether now existing or hereafter acquired, in and to the Marks, together with all the associated goodwill of its business symbolized by the Marks, and all applications and registrations of the Marks, as well as all rights to injunctive relief, damages and profits, due or accrued, arising out of all causes of action, past, present and future, pertaining to the Marks, including infringement of the Marks, or other violations, or injury to the said goodwill, and the right to sue, either at law or in equity, and recover the same in the Assignee’s own name; provided that, with respect to United States intent-to-use trademark applications set forth in Schedule A, the transfer of such applications accompanies the transfer of the Assignor’s business, or portion of the business to which the intent-to-use trademark application pertains, and that business is ongoing and existing.

2. The Assignor will provide to the Assignee, its successors, assigns and other legal representatives, reasonable cooperation and assistance, and do all acts and take such further action, including the execution, acknowledgment and delivery of such additional documents as the Assignee may reasonably request, to carry out and fulfill the purposes and intent of this Trademark Assignment.

3. This Trademark Assignment shall be binding upon and inure to the benefit of the parties hereto, and their permitted successors in interest and assigns.

4. All matters relating to the interpretation, construction, validity and enforcement of this Trademark Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or

rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of Delaware.

5. Whenever possible, each provision of this Trademark Assignment shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Trademark Assignment is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Trademark Assignment.

6. This Trademark Assignment may be executed in counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Trademark Assignment by facsimile transmission or other electronic transmission (including by electronic mail in portable document format (.pdf)) shall be as effective as delivery of a manually executed counterpart hereof and shall be considered to have the same binding legal effect as if it were the original signed version hereof delivered in person.
