TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into on this 31st day of January, 2020 (the "Effective Date") by and between by and between Red.com, LLC, a Nevada limited liability company (the "Assignee"), and Red Hydrogen LLC, a Nevada limited liability company (the "Assignor").

WHEREAS, Assignor is the owner of record of, or has ownership rights in and to, the registered trademark set forth on Schedule I attached hereto (the "Assigned Trademark"), and Assignor desires to transfer to Assignee all right, title, and interest in and to the Assigned Trademark; and

WHEREAS, Assignee desires to accept such assignment for the Assigned Trademark from Assignor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignment. Assignor hereby irrevocably assigns, transfers, and conveys to Assignee its entire right, title, and interest in and to the Assigned Trademark, together with all goodwill appurtenant thereto. The foregoing assignment includes all claims, actions, rights, and demands to the extent arising from the Assigned Trademark, whether choate or inchoate, known or unknown, contingent or non-contingent, including, without limitation, causes of action to sue for past, current, or future infringement, dilution, misappropriation, or violation thereof and other enforcement rights, including, without limitation, the right to collect and retain all proceeds and damages therefrom.

2. Recordation. Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Assigned Trademark registered in the corresponding jurisdiction.

3. General. Any provision in this Assignment which is illegal, invalid or unenforceable shall be ineffective to the extent of such illegality, invalidity or unenforceability, without affecting in any way the remaining provisions hereof.
