GRANT OF  
SECURITY INTEREST IN TRADEMARKS

This GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of February 5, 2020 (this "Agreement"), is made by Dent Wizard International Corporation, a Delaware limited liability company (the "New Grantor"), in favor of JPMorgan Chase Bank, N.A., as the Collateral Agent for the benefit of the Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, dated as of December 14, 2018 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Credit Agreement"), among DT Intermediate, LLC, a Delaware limited liability company (immediately following consummation of the Holdings Assumption on the Closing Date, "Holdings"), BCPE DT MERGER SUB 2, LLC, a Delaware limited liability company ("Merger Sub" or the "Initial Borrower"), DEALER TIRE, LLC, a Delaware limited liability company ("Dealer Tire", and immediately following consummation of the Borrower Assumption on the Closing Date, the "Effective Date Borrower"), the Lenders from time to time party thereto, and JPMorgan Chase Bank, N.A., as the Administrative Agent and the Collateral Agent, the Lenders and Letter of Credit Issuers have severally agreed to make their respective loans and extensions of credit to Holdings, the Borrower and the Subsidiaries upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Initial Borrower, the Effective Date Borrower and any Subsidiaries of the Borrower that are or become a party thereto as Grantors, have executed and delivered the Security Agreement, dated as of December 14, 2018 in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "Security Agreement"), or a supplement thereto;

WHEREAS, pursuant to the Supplement dated as of February 5, 2020, New Grantor became a Grantor under the Security Agreement;

WHEREAS, pursuant to the Security Agreement, New Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a lien on and security interest in all of its right, title and interest in, to and under all Intellectual Property, including the Trademarks, that are not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders and the Letter of Credit Issuer to make their respective Extensions of Credit to Holdings, the Borrower and the Subsidiaries, as applicable, and to induce one or more Cash Management Banks, Bank Product Providers or Hedge Banks to enter into Secured Cash Management Agreements, Secured Bank Product Agreements or Secured Hedge Agreements, respectively, with Holdings, the Borrower and/or the Restricted Subsidiaries, New Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein, or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in Security Agreement, or if not defined therein, in the Credit Agreement.

2. Grant of Security Interest. Subject to the terms of the Security Agreement, the New Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a Lien on and security interest in all of its right, title and interest in, to and under the following property owned by such New Grantor or in which such New Grantor has any right title or interest (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations, but excluding the Excluded Property.

(i) Trademarks, including the Trademarks listed on Schedule A hereto, and all extensions or renewals thereof, (ii) all rights, priorities and privileges related thereto, and (iii) all rights to sue at law or in equity for any infringement, dilution or other violation or impairment thereof, including the right to receive all Proceeds therefrom; but excluding any "intent to use" Trademark application filed in the United States Patent and Trademark Office unless and until an amendment to allege use or a statement of use has been filed with, and accepted by, the United States Patent and Trademark Office to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such "intent to use" Trademark application or any registration issuing therefrom under federal law;

3. Purpose. This Agreement has been executed and delivered by New Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

4. Termination or Release. Upon the termination of the Security Agreement or release of New Grantor in accordance with Section 6.4 thereof, the Collateral Agent shall, at the expense of such New Grantor, execute, acknowledge, and deliver to New Grantor an instrument in writing in recordable form releasing the Security Interest in the Trademark Collateral of such New Grantor under this Grant of Security Interest in Trademarks.

5. Acknowledgment. New Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to be originals and shall constitute one and the same instrument.

7. Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[Signature pages follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers or representatives thereunto duly authorized as of the day and year first above written.
