This CONFIRMATORY TRADEMARK SECURITY AGREEMENT, effective as of and from January 25, 2016 (this "Agreement"), is made by **MEDIA PROPERTIES HOLDINGS, INC.**, a Delaware corporation ("Grantor"), in favor of **CIBC BANK USA** as successor by merger with The PrivateBank and Trust Company as administrative agent (in such capacity, "Agent") for the Secured Parties under (and as defined in) that certain Amended and Restated Credit Agreement, dated as of February 13, 2015 (as amended, modified, supplemented or restated and in effect from time to time, the "Credit Agreement"), by and among CRT Midco, LLC, a Delaware limited liability company ("Borrower"), Cannella Media, LLC formerly known as CRT Holdings, LLC, a Delaware limited liability company ("Holdings"), the Subsidiary Guarantors from time to time party thereto (collectively, with Holdings, "Guarantors"), the lending institutions which are or may become parties thereto (hereinafter, collectively, the "Lenders") and Agent.

WHEREAS, Agent and Lenders have agreed to provide to Borrower a term loan and a revolving credit facility (with a letter of credit sublimit) pursuant to the Credit Agreement; and

WHEREAS, it is a condition precedent to Agent's and Lenders' willingness to continue to make any loans or otherwise extend credit to Borrower thereunder that the Grantor, and the Grantor wishes to, execute and deliver to Agent, for the benefit of the Secured Parties, this Agreement in order to, among other things, expressly and unconditionally grant to Agent, for the benefit of the Secured Parties, a continuing first priority security interest in, and Lien (as defined in the Credit Agreement) on, and pledge to Agent, for the benefit of the Secured Parties, all of the Collateral (as defined herein) to secure the performance and payment in full of the Secured Obligations (as defined herein), as provided herein;

WHEREAS, the Grantor is party to an Amended and Restated Security Agreement, dated as of February 13, 2015, in favor of Agent, for the benefit of the Secured Parties (as amended, modified, supplemented or restated and in effect from time to time, the "Amended Security Agreement"), pursuant to which the Grantor is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in order to induce Agent and Lenders to continue to make any loans or otherwise extend credit to Borrower thereunder, and to secure the Secured Obligations, the Grantor agrees as follows:

1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Amended Security Agreement.

2. Grant of Security Interest in Trademark Collateral. The Grantor hereby unconditionally and expressly grants to Agent, for the benefit of the Secured Parties, a continuing, first priority security interest in, and Lien on, for the benefit of the Secured Parties, all of the following Collateral (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations:

- (a) all Trademarks, including any of the foregoing set forth on Schedule IA hereto;
- (b) all Trademark Licenses; and

(c) all income, royalties, proceeds and liabilities at any time due or payable or asserted under or with respect to any of the foregoing or otherwise with respect to such intellectual property, and all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom.

Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder that would result in the forfeiture of the Grantors' rights in any Trademark applications filed in the United States Patent and Trademark Office on the basis of such Grantor's "intent-to-use" such Trademark, unless and until acceptable evidence of use of the trademark has been filed with and accepted by the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), to the extent that granting a lien in such Trademark application prior to such filing would result in the forfeiture or voiding of or adversely affect the enforceability or validity of such Trademark application or any registration issuing therefrom.

3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Agent and other Secured Parties pursuant to the Amended Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Amended Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of conflict between the terms of this Agreement and the terms of the Amended Security Agreement, the Amended Security Agreement shall control.

4. Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.
