WHEREAS, each Grantor holds the right, title and interest in and to the trademarks and service marks listed next to such Grantor's name on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, each Grantor has entered into the Pledge and Security Agreement, dated November 19, 2019, by and among the Loan Parties party thereto and the Grantee (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Grantee for the benefit of the Secured Parties, a continuing security interest in all right, title and interest of such Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment and performance of the Obligations (as defined in the Credit Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby grant to the Grantee and grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations.
