GAMBLIT GAMING, LLC

GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS

Grant of Security Interest in United States Trademarks (“Agreement”), dated as of February 18, 2020, by and between Gamblit Gaming, LLC, a Delaware limited liability company (“Grantor”), in favor of the undersigned grantee (“Grantee”).

WITNESSETH:

WHEREAS, pursuant to that certain Security Agreement, dated as of the date hereof, by and between Grantor and Grantee (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”), as security for all Secured Obligations, Grantor granted to Grantee a continuing security interest in, lien on, and right of set-off against all Trademarks (as defined below) of Grantor, whether now owned or existing or hereafter acquired or arising; and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Grantee this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. Grant of Security Interest in Trademark Collateral. Grantor hereby grants to Grantee a continuing security interest in, and lien upon, all of Grantor’s presently existing or hereafter acquired rights, title and interests in and to the following (the “Trademark Collateral”):

(a) the trademark registrations and applications set forth in Schedule A hereto, together with the goodwill connected with the use of and symbolized thereby and all extensions and renewals thereof (the “Trademarks”), excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

3. Recordation. Grantor hereby authorizes the Commissioner for Trademarks and any other government officials to record and register this Agreement upon request by the Grantee.

4. Security Agreement. The security interests granted pursuant to this Agreement are granted in conjunction with, and not in limitation of, the security interests granted to Grantee pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to its choice of law provisions.

6. Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Agreement.

7. Successors and Assigns. This Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

[Signature Page Follows]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
