Whereas Assignor is a founder of Assignee and Assignor intended at all times that Assignee own all right, title and interest in, and enjoy all benefit of the Marks, Assignee agrees to pay Assignor and Assignor agrees to accept as good and valuable consideration the amount of one dollar (\$1.00).

In exchange, Assignor hereby conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest of whatever kind in the Marks, throughout the world, together with:

- 1) the goodwill of the business relating to the products and services on which the Marks are used and for which they are registered,
- 2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the Marks, including without limitation, damages, and payments for past or future infringements and misappropriations of the Marks, and
- 3) all rights to sue for past, present and future infringement or misappropriations of the Marks.

Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the Marks and their related property.

The parties agree that the purchase price, along with other consideration herein agreed upon represents good and valuable consideration for the promises herein but that the purchase price alone shall not be construed to state the actual value of the Marks or any goodwill therein.
