THIS ASSIGNMENT is made the 31st day of August 2017

Between:

- (1) Quantel Limited, a company incorporated under the laws of England & Wales under company number 01130271 whose registered office is at Turnpike Road, Newbury, Berkshire RG14 2NX, United Kingdom (hereinafter "the Assignor"), and
- (2) Snell Advanced Media Limited, a company incorporated under the laws of England and Wales under company number 01160119 whose registered offices at Turnpike Road, Newbury, Berkshire, RG14 2NX (hereinafter "the Assignee", which expression includes its successors in title and assigns).

WHEREAS:

- (A) The Assignor is registered as applicant/proprietor in respect of the patents and patent applications identified in Schedule A hereto (hereinafter the "Patent Rights").
- (B) The Assignor is the owner of the trade marks, short of particulars of which are set out in Schedule B hereto (the "Trade Marks").
- (C) The Assignor has agreed to assign the Patent Rights and the Trade Marks to the Assignee.

ASSIGNMENT:

1. In consideration of the premises, the Assignor HEREBY ASSIGNS with full title guarantee all the property, rights, title and interest in and to the Patent Rights and each and every invention disclosed therein to the Assignee to hold absolutely for the benefit of the Assignee, including, without prejudice to the generality of the foregoing, any reissues or extensions and for the entire terms of any patents, reissues or extensions that may issue from foreign applications, divisions, continuations in whole or part, or substitute applications filed claiming the benefit of the Patent Rights, and including the right to file divisional applications, the right to claim priority from the Patent Rights and the right to recover, and to bring all such proceedings as may be necessary for the recovery of, damages or other forms of relief in respect of any and all infringements of the Patent Rights, any divisional applications and any other patents resulting from the Patent Rights and inventions and any divisional applications whether taking place before or after the date of this Assignment TO HOLD the same unto the Assignee absolutely.
2. In consideration of the premises the Assignor HEREBY ASSIGNS to the Assignee with full title guarantee all the property rights, title and interest in the Trade Marks, together with the goodwill associated with the Trade Marks, and all rights, powers, liberties and immunities conferred on the registered proprietor of the Trade Marks free of all liens,

charges and encumbrances and including the right to bring, make, oppose, defend, appeal proceedings, claims or actions (and to retain any damages recovered) in respect of any infringement, or any other cause of action (including passing off) arising from ownership, of any of the Trade Marks whether occurring before, on or after the date of this assignment.

3. The Assignor covenants that it will at the request and expense of the Assignee execute all further assignments, transfers, deeds and documents and do and procure all further acts and things and depose to or swear all declarations or oaths which may be necessary or desirable for securing, completing and absolutely vesting full rights, title and interest in the Patent Rights and the Trade Marks in the Assignee, including the right to enjoy the exclusive benefit of any extension, prolongation or further grant of patents for the time being vested in the Assignee by virtue of this Assignment.
4. The Assignor warrants that it has not licensed, assigned, mortgaged or otherwise disposed of or charged the rights granted by the Patent Rights or the Trade Marks or compromised the ability of the Assignee to use the Patent Rights or the Trade Marks.
5. This assignment and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

SCHEDULE A
