INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (“**IP Assignment**”), dated January 17, 2020, is entered into by and between PEOPLE’S UNITED BANK, NATIONAL ASSOCIATION, a national bank (“**Assignor**”) and THE PROVIDENT BANK, a Massachusetts-chartered savings bank (“**Assignee**”), pursuant to the terms of that certain Asset Purchase Agreement, dated as of December 20, 2019, by and between Assignor and Assignee, as amended (the “**Purchase Agreement**”). All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

WHEREAS, in connection with the transactions contemplated by the Purchase Agreement, Assignor has agreed to sell, convey, assign, transfer and deliver to Assignee, and Assignee has agreed to purchase and acquire from Assignor, certain Intellectual Property Assets of Assignor;

WHEREAS, the registered owner of the Trademark (as defined below) is United Bank, a Connecticut state chartered bank (“**United Bank**”); and

WHEREAS, Assignor is the successor to United Bank, following the merger of United Bank with and into Assignor effective as of November 1, 2019.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor hereby sells, conveys, assigns, transfers, and assigns to Assignee, and Assignee hereby purchases and acquires, all of Assignor’s right, title, and interest in and to the following Intellectual Property included in the Acquired Intellectual Property (the “Assigned IP”):
 - a. the trademark set forth on Schedule 1 hereto, and the corresponding registrations and applications to register set forth on Schedule 1 hereto, and all issuances, extensions, and renewals thereof (the “Trademark”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademark; and
 - b. any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Each of Assignee and Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office, and the officials of corresponding entities or agencies in any applicable jurisdictions, to record and register this IP Assignment upon request by Assignee.

3. This IP Assignment is given pursuant to the terms of the Purchase Agreement. The terms and conditions of the Purchase Agreement are incorporated herein by reference. In the event of a conflict or inconsistency between the provisions of this IP Assignment and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement will prevail.

4. This IP Assignment shall bind and inure to the benefit of Assignor, Assignee and their respective successors and permitted assigns.

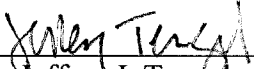

5. This IP Assignment shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction).

6. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment. The counterparts of this IP Assignment may be executed and delivered by electronic transmission or facsimile signature by any of the parties to the other party and the receiving party may rely on the receipt of such document so executed and delivered by electronic transmission or facsimile as if the original had been received; provided, however, that each party will provide the other party with original signature pages to the extent necessary, appropriate or desirable for purposes of recording the transfer of the Assigned IP with the United States Patent and Trademark Office and any corresponding entities or agencies in any applicable jurisdictions.
