Re: Release of all obligations of Xcellerex, Inc. (as predecessor to GE Healthcare Bio-Sciences Corp.)

Ladies and Gentlemen:

Reference is hereby made to that certain Loan and Security Agreement dated as of July 19, 2011 (as the same has been amended, extended, supplemented or otherwise modified through the date hereof, the "Loan Agreement"), by and among Borrower, MidCap Funding III, LLC, in its individual capacity as a Lender ("Lender") and in its capacity as agent for such Lender (in such capacity, "Agent"). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Loan Agreement.

WHEREAS, pursuant to that certain letter, dated as of May 3, 2012 by MidCap Funding III, LLC, as Agent for Lender, which was accepted and agreed on May 5, 2012 by Xcellerex, Inc. (as predecessor to GE Healthcare Bio-Sciences Corp.), Agent released Borrower from all principal, accrued and unpaid interest, fees, costs and expenses (collectively, the "Obligations") under the Loan Agreement and the other financing and security documents relating thereto (the "Loan Documents") and all liens and security interests securing the Obligations were released by Agent (the "Release") upon satisfaction of certain conditions.

WHEREAS, Borrower requests that Agent confirm that all conditions of the Release have been satisfied by Borrower such that Agent's security interests in and to any and all assets, including any and all patents, trademarks and other registered and applied for intellectual property, and assets as set forth on Exhibit A and Exhibit B hereto, which originally secured the obligations under the Loan Documents, have been released.

NOW, THEREFORE, Agent hereby acknowledges and agrees that the Borrower has satisfied all conditions of the Release to effect a release of the security interests in and to any and all assets, including any and all patents, trademarks and other registered and applied for intellectual property and assets set forth on Exhibits A and B, respectively, hereto, which originally secured the obligations under the Loan Documents.
