**SCHEDULE 2**  
**INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

Mentor Graphics Corporation ("Mentor") and the undersigned current or former Auspy Development, Inc. ("Company") employee or contractor (the "Assignor") enter into this Intellectual Property Assignment Agreement (this "Assignment") in connection with the Share Purchase Agreement dated August 27, 2014 by and among Mentor, Company and the shareholders of Company (the "Agreement"). This Assignment shall become effective as of the Closing Date as defined in the Agreement. The parties agree as follows:

1. Assignor, for good and valuable consideration, hereby grants, assigns and transfers exclusively to Mentor in perpetuity, and Mentor hereby accepts, Assignor's entire right, title, and interest of every kind and character throughout the world and in all countries in and to:
  - (i) all inventions, works, patents, patent applications, trademarks, trademark registrations, trade names, service marks, copyrights, trade secrets, know-how, technology and other intellectual property (including all associate inchoate rights) that is material or necessary to products licensed or marketed by the Company, now or in the past, including but not limited to, all rights to intellectual property in connection with unreleased products or functionality currently under development (the "Technology");
  - (ii) all of the rights and privileges under any and all patents, reissues, applications for re-examination, extensions or patent interference proceedings growing out of or related to the Technology; and all forms of industrial property protection, including without limitation, patents, utility models, inventors' certificates and designs which may be granted in any country or countries, and all associated extensions, renewals and reissues; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed after the date of this Assignment for any patents in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from said issued patents and applications under the patent laws of the United States, or any international agreement, or the domestic laws of the country in which any such application is filed;
  - (iii) all of the goodwill of the Company and all common law rights in the Technology, as fully and entirely as the same would have been held had this Assignment not been executed;
  - (iv) all the rights and privileges under any and all copyrights (including rights of reproduction), trade secrets, know-how, inventions, business opportunity, and other proprietary rights relating to the Technology, throughout the world; and
  - (v) all claims for damages by reason of past infringement of any rights in the Technology, with the right to sue for and collect the same for its own use and for the use of its successors, assigns or other legal representatives.
2. Assignor hereby authorizes and requests that the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States, whose duty is to issue registrations of patents, trademarks, service marks, or other evidence or forms relating to the Technology to record the assignment of the Technology and to issue the same to Mentor, for the sole use and benefit of Mentor,

its successors, assigns and legal representatives, or to such nominees as it may designate.

3. Assignor agrees that, when requested, he, she or it will, without charge, sign and deliver all papers, take all rightful oaths, and do all acts which may be reasonably requested by Mentor for obtaining, vesting, securing, defending and/or maintaining right, title, and interest in and to the Technology, or to obtain any other legal protection for the Technology, in any and all countries in Mentor, its successors, assigns and legal representatives, or to such nominees as it may designate; provided that, following Assignor's termination of employment with Mentor, Mentor agrees to compensate Assignor at a reasonable rate after such termination for time and expenses actually spent by Assignor at Mentor's request in providing such assistance.
4. Assignor hereby authorizes and empowers Mentor, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or patent, the benefit of the right of priority provided by any international agreement or the domestic laws of the country in which any such application is filed, as may be applicable, and to invoke and claim such right of priority without further written or oral authorization from Assignor.
5. Assignor hereby consents that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of Mentor, its successors, assigns and legal representatives, or its nominees as such may be designated from time to time to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any superseding convention.
