**TRADEMARK SECURITY AGREEMENT**

This **TRADEMARK SECURITY AGREEMENT** (this "Trademark Security Agreement") is made this 4th day of March, 2020, among the Grantor listed on the signature pages hereof (the "Grantor"), and Obsidian Agency Services, Inc., in its capacity as Collateral Agent for the benefit of the Secured Creditors.

**WITNESSETH:**

**WHEREAS**, pursuant to that certain Amendment Number One to Term Loan Credit Agreement, dated January 17, 2020, by and among WH Intermediate, LLC, a Delaware limited liability company ("Holdings"), WH Buyer, LLC, a Delaware limited liability company (the "Borrower"), the several financial institutions from time to time party thereto as Lenders, Cortland Capital Market Services LLC, as Administrative Agent and Obsidian Agency Services, Inc., as Collateral Agent, which amends that certain Term Loan Credit Agreement (the "Existing Credit Agreement", as amended by the Amendment, "Credit Agreement"), dated as of July 16, 2019, by and among Holdings, Borrower; the Lenders from time to time party thereto, Administrative Agent and Collateral Agent;

**WHEREAS**, the Credit Parties may enter into (or be a party to) one or more secured Hedging Agreements with a Hedging Creditor (the Hedging Creditors and the Lending Creditors are herein called the "Secured Creditors");

**WHEREAS**, in order to induce the Lender Creditors to enter into the Credit Agreement and the other Credit Documents and to induce the Lender Creditors to make financial accommodations to Borrower as provided for in the Credit Agreement, the Grantor agreed to grant a continuing security interest in and to the Collateral, including the Trademark Collateral (as defined below), in order to secure the prompt and complete payment, observance and performance of, among other things, the Secured Obligations, pursuant to that certain Security Agreement dated as of July 16, 2019 among the Grantors and the Collateral Agent (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

**WHEREAS**, pursuant to the Security Agreement, Grantor is required to execute and deliver to Collateral Agent, for the benefit of the Secured Creditors, this Trademark Security Agreement;

**NOW, THEREFORE**, for and in consideration of the recitals made above and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms in the Security Agreement, and to the extent that any capitalized terms are not defined herein or in the Security Agreement, such terms shall have the respective meanings assigned to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby unconditionally grants, collaterally assigns, and pledges to the Collateral Agent, for the benefit of the Secured Creditors, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in the Grantor's right, title and interest in, to the following, whether now owned or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral"):

(a) subject to Section 2(B)(iv) of the Security Agreement, all of its trademarks, trade names, service marks, trade dress, logos, slogans, designs or fictitious business names, and all registrations and registration applications for any of the foregoing, including (i) those marks listed on Schedule I; (ii) all renewals of registrations thereof, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements and dilutions and other violations thereof, (iv) the right to sue for past, present and future infringements and dilutions and other violations thereof, (v) the goodwill of the Grantor's rights corresponding thereto throughout the world, and (vi) all of the Grantor's rights corresponding thereto throughout the world; and

(b) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement, misappropriation, dilution and/or other violation of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. SECURITY FOR OBLIGATIONS. The Security Interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantor, or any of them, to the Collateral Agent or any Secured Creditor, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Collateral Agent, for the benefit of the Secured Creditors, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor shall give prompt notice in writing to the Collateral Agent with respect to any such new Trademarks, applications for registration of any Trademarks, or renewal or extension of any registration of any Trademarks after the date hereof as required by the Security Agreement. Without limiting the Grantor's obligations under this Section, the Grantor hereby authorize the Collateral Agent to unilaterally modify this Trademark Security Agreement by amending Schedule I to include any such new Trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. TERMINATION. This Trademark Security Agreement shall terminate upon termination of the Security Agreement.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Credit Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures

delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

**8** GOVERNING LAW. **THE VALIDITY OF THIS TRADEMARK SECURITY AGREEMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, AND THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.**

9. CONSTRUCTION. Section 1.02 of the Credit Agreement (*Other Definitional and Interpretive Provisions*) is hereby incorporated by this reference, *mutatis mutandis*.
