TRADEMARK ASSIGNMENT

This Trademark Assignment (this “**Assignment**”), dated December 6, 2019, is entered into by and between The Players Tribune, Inc., a Delaware corporation (“**Seller**”) and Pro Sportivity (Israel) Ltd., a company incorporated under the laws of the State of Israel (“**Buyer**,” and together with Seller, the “**Parties**”). Capitalized terms not otherwise defined herein will have the respective meanings set forth in the Purchase Agreement (as defined below).

WHEREAS, one or more certain trademarks are used in connection with the Business as defined in the Asset Purchase Agreement dated as of the date hereof, by and among Buyer, Seller, and other parties thereto (the “**Purchase Agreement**”), including the trademarks, trademark applications and registrations listed in the attached Schedule A (collectively, the “**Trademarks**”).

WHEREAS, pursuant to the Purchase Agreement, Seller has agreed to transfer and assign, all its right, title and interest in and to the Trademarks to Buyer.

WHEREAS, Buyer desires to acquire, and Seller desires to assign and transfer, pursuant to the Purchase Agreement, the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the Parties agree as follows:

1. Upon the terms and subject to the conditions of the Purchase Agreement, Seller hereby assigns to Buyer all of Seller’s right, title and interest in and to the Trademarks, together with Seller’s goodwill associated with such Trademarks.

2. Buyer hereby accepts the assignment in Section 1 hereof and, from and after the date hereof, will assume, perform, and discharge all liabilities and obligations of Seller relating to such Trademarks that accrue after the Closing.

3. This Assignment shall be governed by and construed in accordance with the laws of the State of New York without giving effect to the conflict of laws principles thereof.

4. None of the provisions of this Assignment may be waived, changed or altered except in a signed writing by the party against whom enforcement of the same is sought.

5. In the event of a conflict between the terms and conditions of this Assignment and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern, supersede and prevail.

6. This Assignment will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns in accordance with the Asset Purchase Agreement. Neither of the Parties hereto intends that this Assignment shall benefit or be enforceable by any person other than the Parties hereto and their respective successors and permitted assigns.

7. This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original and all of which, when taken together, will be deemed to constitute one and the same agreement. Counterparts may be delivered via facsimile, electronic mail (including PDF or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
