## TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement (“**Assignment**”) is effective as of March 25, 2020, and is entered into by and between Century Airconditioning Holdings, Inc., a Delaware corporation (“**Assignor**”), and Century Rheem Ruud Holdings LLC, a Delaware limited liability company (“**Assignee**” and, together with the **Assignor**, each a “**Party**” and collectively the “**Parties**”).

**WHEREAS**, the Assignor is the current owner of the trademark registrations listed in Exhibit 1 (collectively, the “**Registered Trademarks**”);

**WHEREAS**, the Assignor is the current owner of the common law trademarks listed in Exhibit 2 (collectively, the “**Common Law Trademarks**” and, together with the Registered Trademarks, the “**Assigned Trademarks**”); and

**WHEREAS**, Assignor desires to assign and transfer to Assignee, and Assignee desires to accept from Assignor, the rights to the Assigned Trademarks.

**NOW THEREFORE**, in consideration of the mutual agreements herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers, assigns and delivers to Assignee all of Assignor's right, title and interest in and to each Assigned Trademark, including without limitation, any registrations and applications therefor, any renewals of the registrations, and all other corresponding rights that are or may be secured under the laws of any country or jurisdiction, now or hereafter in effect together with the good will associated with each Assigned Trademark. Assignee shall hold the rights to the foregoing for and during the existence of such Assigned Trademarks, as fully and as entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Recordation. Assignor hereby requests the Commissioner of Patents and Trademarks and any other applicable governmental entity or registrar (including any applicable U.S. state office or registrar), to record Assignee as the owner of the Assigned Trademarks, and to issue the Assigned Trademarks to Assignee, as assignee of the entire right, title and interest in, to, and under the same. Assignee shall have the right to record this Assignment with all applicable government authorities and registrars so as to perfect its ownership of the Assigned Trademarks.

3. Further Assurances. Assignor further agrees to diligently execute any additional documents or take any other actions, at Assignee's reasonable request, for the purposes of consummating the transactions contemplated hereunder.

4. Rights and Causes of Action. Assignor hereby transfers all past, present, and future rights, claims, and causes of action (including all damages recoverable thereby) arising out of the Trademarks, including but not limited to all rights, claims, and causes of action for infringement and unfair competition.

[Signature page follows.]
