## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this "Assignment") is entered into as of this 30<sup>th</sup> day of December 2019, by and between Weldon Industries, Inc., a Florida corporation ("Assignor") and Nationwide Industries, Inc., having an address at 10333 Windhorst Road, Tampa, FL 33619 ("Assignee").

**WHEREAS**, Assignor owns certain intellectual property (collectively, "Assigned Intellectual Property"), including, without limitation, the trademarks, domain names, and patents, and applications therefor set forth on the Schedule attached hereto, and all goodwill associated therewith.

**WHEREAS**, Assignee is desirous of acquiring the entire right, title and interest in and to the Assigned Intellectual Property.

**NOW THEREFORE**, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor agrees to and does hereby sell, assign, convey, transfer, and deliver to Assignee, its successors, legal representatives and assigns, its entire right, title and interest in and to the Assigned Intellectual Property, in the United States and all countries throughout the world, including but not limited to the trademarks, domain names, and patents, and applications therefor set forth on the Schedule attached hereto, together with any and all inventions described therein and all prior patent applications filed thereon and all non-provisional applications for patent that are converted from or claim priority to said applications, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said applications, and any and all patents in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations, other rights from administrative proceedings and extensions of said patents, and all rights under the International Convention for the Protection of Industrial Property including all rights of priority, and all revisions thereof, to the full end of the term or terms for which the foregoing may be granted, renewed and/or extended, any and all rights of recovery based on past and future infringement of the Assigned Intellectual Property and the goodwill symbolized by the trademarks included in the Assigned Intellectual Property.

Assignor further agrees that, without further consideration, it will cause to be performed such other lawful acts, and to be executed such further assignments and other lawful documents, as Assignee may, from time to time, reasonably request to effect fully this Assignment and to permit Assignee to be duly recorded as the registered owner of these intellectual property assets. Assignee shall be responsible for all fees for recordation of this Assignment. Assignor agrees to cooperate fully with Assignee to accomplish such recordation.

This Assignment shall be governed by the laws of the State of Delaware applicable therein without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware.

This Assignment may be executed in one or more counterparts, each of which will be deemed an original and all of which, taken together, will constitute one agreement. Signatures

delivered by facsimile, Adobe “portable document format” (.pdf) or any other electronic means will be deemed to be and will be treated for all purposes as original signature pages.
