**Notice of Grant of Security Interest in Trademarks**

NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of April 3, 2020 (this “**Agreement**”), made by the pledgors listed on the signature pages hereto (each a “**Pledgor**” and together the “**Pledgors**”), in favor of BANK OF AMERICA, N.A., as Collateral Agent (as defined below).

Reference is made to the Collateral Agreement dated as of April 3, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Collateral Agreement**”), among EDGEWELL PERSONAL CARE COMPANY, a Missouri corporation (the “**Borrower**”), each Subsidiary Loan Party listed on the signature pages thereof and each other Subsidiary Loan Party that becomes a party thereto after the date thereof, and BANK OF AMERICA, N.A., as collateral agent (together with its successors and assigns in such capacity, the “**Collateral Agent**”) for the Secured Parties. The parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.1(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. **Grant of Security Interest.** As security for the payment and performance, as applicable, in full of the Secured Obligations, each Pledgor pursuant to the Collateral Agreement did, and hereby does, assign and pledge to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a continuing security interest in all of such Pledgor’s right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”): all Trademarks of the United States of America of such Pledgor, including those listed on Schedule I; provided, however, that the foregoing pledge, assignment and grant of security interest will not cover any Excluded Property, including, without limitation, any “intent-to-use” trademark applications prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent that the grant of a security interest therein would impair the validity or enforceability of, or render void or voidable or result in the cancellation of the applicable Pledgor’s right, title or interest therein or in any trademark issued as a result of such application under applicable federal law.

SECTION 3. **Collateral Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 5. **Governing Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT**

**SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF  
THE STATE OF NEW YORK.**
