ASSIGNMENT OF TRADEMARK RIGHTS

This Trademark Assignment Agreement (“Assignment”) is by and between Power Survey LLC, a Delaware Limited Liability Company (“Assignor”), and Osmose Utilities Services, Inc., a Delaware Corporation with a place of business at 635 Highway 74 S, Peachtree City, Georgia 30269 (“Assignee”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks and service marks listed in Schedule A (collectively, the “Marks”);

WHEREAS, Assignee desires to acquire all of Assignor’s rights in and to the said Marks and the goodwill of the business associated with the Marks;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign unto Assignee all of its right, title and interest in and to the Marks, including all common law rights, together with the goodwill of the business symbolized thereby, and the right to sue third parties for and recover damages due or accrued arising out of or in connection with any and all past, present, or future infringement or dilution of or damage or injury to said Marks, registrations thereof, or such associated goodwill.

Upon Assignee’s request, Assignor will promptly take such actions (including, without limitation, the prompt execution and delivery of documents in recordable form or testifying as to any material fact or thing) as may be necessary to vest in and secure unto Assignee the full right, title and interest in and to the Marks and to protect and enforce the Marks.

Assignor hereby authorizes any official of any country empowered to issue trademarks to record this Assignment, and to issue or transfer the Marks to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

Assignor represents and warrants that Assignor has the full right to convey the entire right, title, and interest herein assigned, that there are no outstanding rights, title, or interests inconsistent with those assigned herein, and the Assignor will not execute any instrument or grant or transfer any rights, title, or interests inconsistent with the rights, title, and interests assigned herein.
