TERM LOAN AND LC TRADEMARK SECURITY AGREEMENT

This TERM LOAN AND LC TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”) dated April 9, 2020, is made by each of the undersigned grantors (individually, a “Grantor”, and collectively, the “Grantors”) in favor of BANK OF AMERICA, N.A., as Administrative Agent (the “Administrative Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement (as defined below).

WHEREAS, STRIKE, LLC, a Texas limited liability company, as the borrower (the “Borrower”), STRIKE CAPITAL, LLC, a Texas limited liability company (“Holdings”), the Subsidiary Guarantors party thereto, BANK OF AMERICA, N.A., as Administrative Agent and Issuing Bank, and certain financial institutions from time to time party thereto (collectively, the “Lenders” and, each individually, a “Lender”) have entered into that certain Term Loan and LC Loan and Security Agreement dated as of November 30, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement.

WHEREAS, under the terms of the Credit Agreement, the Grantors have granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in all of Grantor’s right, title and interest in and to the United States registered Trademarks and Trademarks for which United States applications are pending, including those set forth in Schedule A hereto (the “**IP Collateral**”).

SECTION 2. Recordation. This Trademark Security Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 3. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Credit Agreement. The Grantors do hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Credit Agreement, the terms of the Credit Agreement shall govern.

SECTION 5. Governing Law. This Trademark Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York without giving effect to conflict of law principles to the extent such principles would require the application of the laws of another jurisdiction.

SECTION 6. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Credit Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
